- Growth Mindset
- Digital Literacy
- Teamwork & Communication Skills
- Remote Learning

The NSCC Adult Learning Center helped so much. It gave her the direction, support and the instruction she needed at a time when she seemed to be lost. It also gave her hope. She now realizes that there are many more doors out in the world for her to open.

—Mother of an ALC graduate

Funding from the Massachusetts Department of Elementary and Secondary Education covers the costs of instruction, advising, and textbooks.

Students “pay” by meeting attendance and participation standards.

Who is Eligible?

There are students of all ages at the ALC. Anyone who is at least 16 years old, and not currently enrolled in high school, may enroll. Students who are learning English are encouraged to apply.

"It is a joy to work with the students of the Adult Learning Center. They want so much to learn and are so full of good humor, eager to help each other and work toward a better life for themselves and their families."

- Joan McBeth, volunteer tutor
