Advising Notes

- This certificate is intended to prepare a student upon completion for entry-level employment in the care, grooming, and community understanding of domestic animals.
- For students interested in continuing their education in the animal care field; all courses in this certificate count towards the Animal Care Specialist Degree.
- If you intend to graduate with an associate degree in two years, you should enroll in at least 15 credits if taking only fall/spring courses.
- Completing 30 credits each year helps students stay on track to timely graduation.
- Taking classes in the winter intersession and summer can accelerate your time to degree completion.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.
