Total Program Credits:			28			

Program Notes

- Open admissions
- CORI/SORI check required
- Gainful employment information available on website program page
- Day or evening program

Campus Information

- Lynn or Danvers campus

Additional Graduation Requirements

- Cumulative CLGPA at or above 2.0
- Submit your intent to graduate form at: www.northshore.edu/registrar

Advising Notes

- This certificate is designed upon completion to lead to entry level employment in the health care industry.
- If you would like to continue on into additional health care pathways speak with an academic advisor for further course planning.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in 15 credits if taking only fall/spring courses.
- Taking classes in the winter intersession and summer can accelerate your time to degree completion.
- Completing 30 credits each year helps students stay on track to timely graduation.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.

*Noncredit health courses are available to transfer through the Center for Alternative Studies.

If interested in creating a pathway for progression into another health program (NSD, OTA, PTA, PNR, RAD, OR RSP) take BIO211 in lieu of HLS102, if not ready for BIO211, take BIO101 to meet prerequisite and fulfill LA elective, if ready take BIO212 as your LA elective.

Ⓡ Required course for degree

X Center for Alternative Studies & Educational Testing (CAS) – Course competencies and prerequisites may be fulfilled through Credit for Prior Learning (CPL). Visit www.northshore.edu/cas for more information.

Congratulations NSCC Graduate!
