Liberal Arts Elective		Ⓡ	3		X	<input type="checkbox"/>
Open Elective		Ⓡ	3		X	<input type="checkbox"/>
Total Program Credits:			60			

Program Notes

- Open admissions
- Eligible North Shore Promise program
- Day program

Campus Information

- Lynn campus based

Additional Graduation Requirements

- Cumulative CLGPA at or above 2.0
- Submit your intent to graduate form at: www.northshore.edu/registrar

Advising Notes

- This degree is designed upon completion to prepare a student for entry level employment in the horticulture or landscaping field.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in at least 15 credits if taking only fall/spring courses.
- Completing 30 credits each year helps students stay on track to timely graduation.
- Taking classes in the winter intersession and summer can accelerate your time to degree completion.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.
- Due to the seasonal nature of the Horticulture curriculum, some courses are offered outside of the traditional academic calendar.

Ⓡ Required course for degree
 X Center for Alternative Studies & Educational Testing (CAS) – Course competencies and prerequisites may be fulfilled through Credit for Prior Learning (CPL). Visit www.northshore.edu/cas for more information.

Congratulations NSCC Graduate!
