Campus Information

- Danvers campus based

Additional Graduation Requirements

- Cumulative CLGPA at or above 2.0
- Submit your intent to graduate form at: www.northshore.edu/registrar

Advising Notes

- Graduates of this program are eligible to take the national certification examination administered by the National Board of Surgical Technology and Surgical Assisting (NBSTSA).
- This certificate is intended to prepare a student upon completion to entry level employment as a surgical technologist.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.

Congratulations NSCC Graduate!

X Center for Alternative Studies & Educational Testing (CAS) – Course competencies and prerequisites may be fulfilled through credit for prior learning. Visit www.northshore.edu/cas for more information.
