Thank you for your interest in the Radiologic Technology Program for Fall 2011. This application packet contains important information about admission requirements, the admission process, and program requirements for Fall 2011 (Note: these admission requirements are applicable to Fall 2011 only. For subsequent years, admission requirements are subject to change without notice).

Here are the Steps that must be followed to successfully apply to the program:

STEP 1: READ THE INFORMATION IN THIS PACKET
Please read all of the information in this packet carefully and follow all instructions. Admission to this Program is highly competitive and has a selective admission process. It is your responsibility to assure that you accurately understand the information in this packet and follow it accordingly.

STEP 2: COMPLETE ALL ADMISSION CHECKLIST REQUIREMENTS
The Admission Requirements Checklist in this packet details admission requirements and other important information. You must complete all checklist items for your application to be considered complete and ready for review. Please note that it is the applicant’s responsibility for assuring that the application is complete and received. If any of the required items are incomplete/missing when you submit your application material, your application will not be processed (i.e. reviewed). We will mail it back to you.

STEP 3: SUBMIT YOUR COMPLETED APPLICATION
We will begin taking completed applications on September 20, 2010. All completed applications received by close of business on January 12, 2011 will be reviewed for potential acceptance to the program. Completed applications may be considered under the same procedure after this date because space remains available in the program or waitlist, but there is no guarantee of such consideration. Admission to this program may close at any time after this date without notice. Thus, the only guarantee of consideration is to have the completed application submitted within the above dates. Applicants who submit completed applications between September 20, 2010 and January 12, 2011 will receive written notification of an admission decision in a letter postmarked by April 4, 2011. If offered admission, a non-refundable $100.00 deposit will be required to secure your acceptance to this Program.

- Walk-in Submission - We strongly recommend that you submit your items in person so that we can review them with you to make sure that your application items are complete.

- Mail-in Submission - As stated above, it is the applicant’s responsibility for assuring that the application is complete and received. You can mail the items to us (see the NSCC application form for address). However, if any of the required items are incomplete/missing when you submit your application material; your application will not be processed. We will mail it back to you.

</table>
1. **If you are accepted** you **MUST** attend a Mandatory Orientation/Registration day scheduled for **Thursday, May 19, 2011**.

2. **The program anticipates accepting approximately 20 students for Fall 2011**. The decision in response to your completed application will be: accepted to Radiologic Technology; accepted conditionally to Radiologic Technology; or wait list for Radiologic Technology; or denied admission to Radiologic Technology.

3. **Anatomy and Physiology 1 is required in the first semester of this program.** In order to register for this course, you must have completed **ONE** of the following: BIO101 or BIO105 with a grade of C or higher (no time limit); LPN Certificate (no time limit); Bachelor of Science in Biological Science (no time limit); H.S Biology with a C or higher within the last 5 calendar years, CLEP test with a score of 50 or higher within the last 5 calendar year, AP Biology Test with a 3 or higher within the last 5 calendar year. As of the Winter/Spring 2011 semester, another option to meet the pre-requisite to register for BIO103 will be a score of 50 or higher on the science section of the TEAS version V Entrance Exam.

4. Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or which includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) and/or Sex Offender Record Information (SORI) check(s). Depending on the contents of student’s CORI(s) or SORI(s), participation in clinical, internship, or field placement course(s) may impact a student’s ability to complete program requirements.

5. **To practice as a Radiologic Technologist in Massachusetts, individuals must obtain a license**, which according to law requires that individuals must: graduate from an accredited Radiologic Technology Program, complete the necessary forms, be of good moral character, pass a licensure examination, and pay the appropriate fee(s) before licensure may be obtained. It is the student’s responsibility to research the above mentioned requirement. The American Registry of Radiologic Technologists, which administers the licensure exam, offers an Ethics Pre-Application Review Process for offenses that may impact eligibility to sit for the exam. For further details, go to [www.arrt.org](http://www.arrt.org), click on the “Ethics” section in the left navigation bar, then select “Pre-Application Process”.

6. **Working as a Radiologic Technologist is physically, mentally, and emotionally demanding**. Applicants who are offered admission must document their ability to perform all essential tasks with or without reasonable accommodation in order to begin the professional courses. If you are an otherwise qualified individual with a disability who seeks a reasonable accommodation, you need to contact the Office of Disability Services for eligibility determination for reasonable accommodation(s). A list of the essential tasks is in this packet under the section entitled, “Technical Standards for The Radiologic Technology Program”.

7. **All students must document immunity** to measles, mumps, rubella, varicella and Hepatitis B via immunization or titer; document inoculation against diphtheria and tetanus within the last 10 years; and to provide evidence of a negative TST (Tuberculin Skin Test) within 6 months or one negative chest x-ray per OSHA/CDC requirements following a positive TST. Require students to be in compliance with the current OSHA requirements and standard precaution training. **If you are accepted** a Health Packet will be mailed to you and must be thoroughly completed by your physician or nurse practitioner **AS SOON AS POSSIBLE**, but **no later than July 7, 2011**. Additionally, if accepted, you will be sent and will need to sign the Technical Standards form (a copy is included in this packet for your review as part of the admission application process).

8. During the program, **students are responsible for own their transportation** to a variety of clinical facilities (which may or may not be accessible by public transportation).
Application for Admission

How to Apply for Admission

GENERAL INSTRUCTIONS
• Complete ALL information requested on the application form. An incomplete application will delay admissions processing.
• Submit proof of high school graduation, GED, a passing score on a federal Ability to Benefit test, or its equivalent. Some programs may require high school transcripts or GED scores.
• Submit official transcripts from each previous college listed on the application.

SUBMITTING YOUR APPLICATION
Submit all documents to the following address:
North Shore Community College, Enrollment & Student Records, PO Box 3340, Danvers, MA 01923

INFORMATION
• NO application fee is required.
• NSCC has an open admissions policy.
• Some programs have specific selection procedures and interviews may be required. Prospective students are encouraged to call or visit the Enrollment Office in Danvers at 1 Ferncroft Road, or the Lynn Campus at 300 Broad Street.
• Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) check and/or SORI (Sex Offender Registry Information) check prior to participation.
• CORI and SORI checks are not used in any way as admission criteria. Depending on the contents of a student’s CORI and/or SORI, participation in a clinical affiliation, internship, or field placement may be denied. Programs involving a clinical affiliation, internship, or field placement are marked with a ✓ on the list of NSCC Credit Degree & Certificate programs.
• For more information, please call 781-477-2107 or 978-762-4188. Admissions questions may also be emailed to: info@northshore.edu.

FINANCIAL AID
North Shore Community College awards millions of dollars in federal, state and institutional financial aid each year to eligible students. Many students miss out because they do not think they are eligible and do not complete the FAFSA (Free Application for Student Aid).

• Financial aid is available to matriculated students in eligible degree and certificate programs.
  A matriculated student is one who has met all admission requirements and has been accepted into a program of study as a degree or certificate candidate.
  A non-matriculated (non-degree status) student may enroll in a course or courses, but is not considered to be pursuing a degree or certificate and is not eligible for financial aid.
• Application materials are available in NSCC’s Office of Student Financial Services (978-762-4189, 781-477-2191) or online at www.fafsa.gov.
• If you need help with your financial aid application, please contact the Student Financial services website at www.northshore.edu/services/fa for a schedule of FAFSA workshops.

Instructions page 2: Please answer all following questions. Evaluation of the answers includes but is not limited to grammar, spelling, as well as overall content and quality of the answer(s) (e.g. accuracy, thoroughness, and relevance to the question asked). Handwritten applications will not be accepted. Make sure your name is on each of the page(s) submitted.

1. Why have you decided to apply to the Radiologic Technology Program? Please explain what you know about the profession of radiologic technology and NSCC’s Program. How did you learn this information (i.e. what sources did you research that lead you to choosing this profession)?

2. List and describe the actual duties performed by a diagnostic Radiologic Technologist? Please provide specific examples of the duties and responsibilities of a diagnostic radiologic technologist.

3. Describe your ability to carefully follow the policies and procedures of the Program. List and discuss at least two of the Radiologic Technology Program’s policies found in the student handbook. Give examples of how you have followed policies and procedures in your life.

4. How do you plan to manage your academic commitments and your other commitments while enrolled in the Program? How are you planning to balance your life and academic responsibilities so as to optimize your chances to be successful in this rigorous Program.

5. Discuss your academic accomplishments and personal attributes that you feel make you a competitive applicant for this Program. Please describe your academic accomplishments and personal attributes that will contribute to functioning as a competent Radiologic Technologist Student.
If accepted to this Program, you will be required to sign a Technical Standards form (a copy of which appears below for your review as part of the admission application process). **Do NOT sign this form at this time.**

To the Student: As you complete this form please consider your physical and mental/attitudinal ability to meet the Technical Standards associated with the health professions program that you are about to enter. Please carefully consider the General Job Description as you evaluate your ability to meet the Technical Standards specified. Contact the Radiologic Technology Program at (978) 762-4163, if you require more specific information about the physical and mental/attitudinal requirements of the program.

**General Job Description:** Provides health care services, applying x-ray energy to assist in diagnosis or treatment. Performs radiographic procedures and related techniques, producing images for the interpretation by, or at the request of a licensed practitioner. Exercises professional judgment in performance of services and maintains a demeanor complimentary to medical ethics. Provides appropriate patient care and recognizes patient conditions essential for successful completion of the procedure.

* Applicants who are offered admission must document their ability to perform all essential tasks with or without reasonable accommodation in order to begin the professional courses. If you are an otherwise qualified individual with a disability who seeks a reasonable accommodation, you need to contact the Office of Disability Services for eligibility determination for reasonable accommodation(s). **For those applicants offered admission, you will be asked to self certify by signing the Technical Standards which are included in the Health Forms packet that you will be required to complete no later than July 7, 2011.**
GENERAL INFORMATION
The “Test of Essential Academic Skills v 5” (TEAS) is a computerized test composed of multiple-choice questions organized into four sections, which measure reading ability, basic mathematics skills, science and English grammar. It is a timed test published by Assessment Technologies Institute (ATI Testing), LLP. Testers should plan to spend approximately 4 hours at the test center. The use of calculators, dictionaries or other aids is not permitted.

Section # of Questions Time Allowed
1. Reading 48 questions 58 minutes
   Paragraph comprehension, inferences and conclusions
2. Mathematical Skills 34 questions 51 minutes
   Metric conversions, fractions, decimals, percentages and algebraic equations
3. Science 54 Questions 66 minutes
   Basic science and logical thinking
4. English and Language Usage 34 questions 34 minutes
   Measures knowledge of punctuation, grammar, and sentence structure

2011 PROGRAM REQUIREMENTS
TEAS Version 5.0 is a new version of the test. Students who took an earlier version of TEAS (prior to July 2010) must check individual program requirements for cut score information.

NOTE: Nurse Education and Practical Nursing programs require that the TEAS test be taken at North Shore.

ELIGIBILITY
Any individual may take the TEAS test at the Center for Alternative Studies and Educational Testing. However, students may only take the test two (2) times per academic year (July 2010 – June 2011) for admission to NSCC nursing or allied health programs, regardless of the program to which they are applying.

SCHEDULE – The TEAS test is offered on a regular basis in Lynn and Danvers. To access the schedule go to www.atitesting.com. Click ‘Register for the TEAS’ then select Massachusetts and either Lynn or Danvers to see the dates and times available. Space is limited and students are scheduled on a first come-first serve basis. See “Registering and Paying for the Test” for more information.
**REGISTERING and PAYING FOR THE TEST**

It is recommended that applicants for the Fall Semester of 2011 prepare for the exam early and register to take the test as soon as they feel prepared. Registration and payment for the TEAS test are done online. **To view available testing dates, register and pay:**

- Go to [www.atitesting.com](http://www.atitesting.com).
- Click on the “Register for TEAS” link.
- Choose Massachusetts and then either Lynn or Danvers to choose a date for North Shore Community College’s testing.
- If you have an existing account, log-in to register and pay.
- If you don’t have an existing account, create an ATI account with a username and password. Once you have created your account, you will need to sign in to register and pay for the test.
- Credit card payment is due online at the time of registration. The fee is $60 per test.
- **Payment is NON REFUNDABLE** so be sure that you have read the admissions packet thoroughly and that you are ready to test on the date scheduled.
- You will receive an email confirmation of your testing appointment. Bring this confirmation and your ATI Username and Password with you on the date of testing.

If you need help registering for the TEAS, call ATI at 1-800-667-7531.

**PREPARATION for TEAS Version 5.0**

Students are strongly encouraged to prepare for this exam. The ATI Study Manual is available on reserve at the NSCC libraries, for sale at the NSCC College Bookstores or online at [www.atitesting.com](http://www.atitesting.com). An online practice test is available for a fee from the ATI website (atitesting.com). NSCC also offers non-credit prep courses for the TEAS test. For more information, consult the college website or call Corporate and Community Ed at (978) 236-1200. **Be sure to obtain the study materials specific for TEAS version 5.0.**

**ADMISSION TO THE TEST**

Report to ROOM LE232 (Lynn) or ROOM DB213 (Danvers) fifteen minutes before the start time of the test. **Students arriving late will not be admitted to the testing session and must pay the $60 testing fee to reschedule.**

The following are required for admission to your TEAS testing session:

- A photo ID (valid driver’s license or school ID with photo)
- Your ATI confirmation email
- Your ATI username and password

**SCORING**

Students receive their individual TEAS score reports immediately upon completion of the exam. Students can also access their score reports by logging into [www.atitesting.com](http://www.atitesting.com). The test administrator will send student’s scores to the Enrollment Office at NSCC for the student’s file. However, **students must also submit** a copy of the scores with their completed application packet.

**RETEST POLICY**

Applicants to health programs may take the test a total of two (2) times per academic year (July 1, 2010 – June 30, 2011), therefore should not take the test unless properly prepared. See Preparation above for more information. If a student takes the test a third time, the Admissions office will deem these scores invalid and testing fees will not be refunded.

**CONFIDENTIALITY**

The Center for Alternative Studies and Educational Testing will not provide information to any external sources regarding an individual’s test scores unless written permission is received from the student. This policy is in accordance with the student confidentiality policy of North Shore Community College.

**ACCOMMODATIONS**

Students with documented disabilities should contact Jane Saunders (978-739-5429 or email jsaunder@northshore.edu) prior to registering for the test.

**ACADEMIC DISHONESTY**

The use of calculators, dictionaries or other aids is not permitted on the TEAS test. Other rules are posted throughout the Testing Center. Students who fail to comply with these rules face disciplinary action according to NSCC student guidelines. Disciplinary action may include: forfeited test scores, ineligibility for refunds, and the student may be deemed permanently ineligible for services of the testing center.
