Thank you for your interest in the Respiratory Care Program for Fall 2011. This application packet contains important information about admission requirements, the admission process, and program requirements for Fall 2011 (Note: these admission requirements are applicable to Fall 2011 only. For subsequent years, admission requirements are subject to change without notice).

Here are the Steps that must be followed to successfully apply to the program:

**STEP 1: READ THE INFORMATION IN THIS PACKET**
Please read all of the information in this packet carefully and follow all instructions. Admission to this Program is highly competitive and has a selective admission process. It is your responsibility to assure that you accurately understand the information in this packet and follow it accordingly.

**STEP 2: COMPLETE ALL ADMISSION CHECKLIST REQUIREMENTS**
The Admission Requirements Checklist in this packet details admission requirements and other important information. You must complete all checklist items for your application to be considered complete and ready for review. Please note that it is the applicant’s responsibility for assuring that the application is complete and received. If any of the required items are incomplete/missing when you submit your application material, your application will not be processed (i.e. reviewed). We will mail it back to you.

**STEP 3: SUBMIT YOUR COMPLETED APPLICATION**
We will begin taking completed applications on September 20, 2011. All completed applications received by close of business on February 25, 2011 will be reviewed for potential acceptance to the program. Completed applications may be considered under the same procedure after this date because space remains available in the program or waitlist, but there is no guarantee of such consideration. Admission to this program may close at any time after this date without notice. Thus, the only guarantee of consideration is to have the completed application submitted within the above dates. Applicants who submit completed applications between September 20, 2011 and February 25, 2011 will receive written notification of an admission decision in a letter postmarked by April 4, 2011. If offered admission, a non-refundable $100.00 deposit will be required to secure your acceptance to this Program.

- **Walk-in Submission** - We strongly recommend that you submit your items in person so that we can review them with you to make sure that your application items are complete.

- **Mail-in Submission** - As stated above, it is the applicant’s responsibility for assuring that the application is complete and received. You can mail the items to us (see the NSCC application form for address). However, if any of the required items are incomplete/missing when you submit your application material; your application will not be processed. We will mail it back to you.

This is the most efficient way for you to ensure that receipt of transcripts do not hold up your application. If you have previously submitted transcripts and have since completed courses or are currently registered for courses, then you need to submit an updated transcript.  

Transfer students from another accredited Respiratory Care Program must also provide:  
- an official transcript proving enrollment in Respiratory Care within the last 3 years  
- course syllabi from all previous Respiratory Care courses

Additional Important Information

1. If you are accepted you MUST attend a Mandatory Orientation/Registration day scheduled for Thursday, May 19, 2011.

2. The program anticipates accepting approximately 18 students for Fall 2011. The decision in response to your completed application will be: accepted to Respiratory Care; accepted conditionally to Respiratory Care; or wait list for Respiratory Care; or denied admission to Respiratory Care.

3. Anatomy and Physiology 1 is required in the first semester of this program. In order to register for this course, you must have completed ONE of the following: BIO101 or BIO105 with a grade of C or higher (no time limit); LPN Certificate (no time limit); Bachelor of Science in Biological Science (no time limit); H.S Biology with a C or higher within the last 5 calendar years, CLEP test with a score of 50 or higher within the last 5 calendar year, AP Biology Test with a 3 or higher within the last 5 calendar year. As of the Winter/Spring 2011 semester, another option to meet the pre-requisite to register for BIO103 will be a score of 50 or higher on the science section of the TEAS version V Entrance Exam.

4. Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or which includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) and/or Sex Offender Record Information (SORI) check(s). Depending on the contents of student’s CORI(s) or SORI(s), participation in clinical, internship, or field placement course(s) may impact a student’s ability to complete program requirements.

5. In order to practice Respiratory Care in Massachusetts, individuals must obtain a license, which according to law requires that individuals must: complete an accredited respiratory care program, apply to the Board, be of good moral character, pass a licensure examination, and pay the appropriate fee before licensure may be obtained. A CORI will also be completed as part of the Massachusetts licensing process.

6. Working as a Respiratory Therapist is physically, mentally, and emotionally demanding. Applicants who are offered admission must document their ability to perform all essential tasks with or without reasonable accommodation in order to begin the professional courses. If you are an otherwise qualified individual with a disability who seeks a reasonable accommodation, you need to contact the Office of Disability Services for eligibility determination for reasonable accommodation(s). A list of the essential tasks is in this packet under the section entitled, “Technical Standards for The Respiratory Care Program”.

7. All students must document immunity to measles, mumps, rubella, varicella and Hepatitis B via immunization or titer; document inoculation against diphtheria and tetanus within the last 10 years; and to provide evidence of a negative TST (Tuberculin Skin Test) within 6 months or one negative chest x-ray per OSHA/CDC requirements following a positive TST. Require students to be in compliance with the current OSHA requirements and standard precaution training. If you are accepted a Health Packet will be mailed to you and must be thoroughly completed by your physician or nurse practitioner AS SOON AS POSSIBLE, but no later than July 7, 2011. Additionally, if accepted, you will be sent and will need to sign the Technical Standards form (a copy is included in this packet for your review as part of the admission application process).

8. During the program, students are responsible for their own transportation to a variety of clinical facilities (which may or may not be accessible by public transportation).

9. Prior to beginning clinical placements, students must subscribe to Student Liability Insurance.

10. Prior to beginning clinical placements, students must document that they have CPR certification at the health provider level.
TECHNICAL STANDARDS FOR RESPIRATORY CARE PROGRAM

General Job Description: Utilizes the application of scientific principles for the identification, prevention, remediation, research, and rehabilitation of acute or chronic cardiopulmonary dysfunction thereby producing optimum health and function. Reviews existing data, collects additional data, and recommends obtaining data to evaluate the respiratory status of patients, develop the respiratory care plan, and determine the appropriateness of the prescribed therapy. Initiates, conducts, and modifies prescribed therapeutic and diagnostic procedures such as: administering medical gases, humidification and aerosols, aerosol medications, postural drainage, bronchopulmonary hygiene, cardiopulmonary resuscitation; providing support services to mechanically ventilated patients; maintaining artificial and natural airways; performing pulmonary function testing, hemodynamic monitoring and other physiologic monitoring; collecting specimens of blood and other materials. Documents necessary information in the patient's medical record and on other forms, and communicates that information to members of the health care team. Obtains, assembles, calibrates, and checks necessary equipment. Uses problem solving to identify and correct malfunctions of respiratory care equipment. Demonstrates appropriate interpersonal skills to work productively with patients, families, staff, and co-workers. Accepts directives, maintains confidentiality, does not discriminate, and upholds the ethical standards of the profession.

GENERAL INFORMATION

The “Test of Essential Academic Skills v 5” (TEAS) is a computerized test composed of multiple-choice questions organized into four sections, which measure reading ability, basic mathematics skills, science and English grammar. It is a timed test published by Assessment Technologies Institute (ATI Testing), LLP. Testers should plan to spend approximately 4 hours at the test center. The use of calculators, dictionaries or other aids is not permitted.

Section | # of Questions | Time Allowed
--- | --- | ---
1. Reading | 48 questions | 58 minutes
Paragraph comprehension, inferences and conclusions
2. Mathematical Skills | 34 questions | 51 minutes
Metric conversions, fractions, decimals, percentages and algebraic equations
3. Science | 54 Questions | 66 minutes
Basic science and logical thinking
4. English and Language Usage | 34 questions | 34 minutes
Measures knowledge of punctuation, grammar, and sentence structure

2011 PROGRAM REQUIREMENTS

TEAS Version 5.0 is a new version of the test. Students who took an earlier version of TEAS (prior to July 2010) must check individual program requirements for cut score information.

NOTE: Nurse Education and Practical Nursing programs require that the TEAS test be taken at North Shore.

ELIGIBILITY

Any individual may take the TEAS test at the Center for Alternative Studies and Educational Testing. However, students may only take the test two (2) times per academic year (July 2010 – June 2011) for admission to NSCC nursing or allied health programs, regardless of the program to which they are applying.

SCHEDULE – The TEAS test is offered on a regular basis in Lynn and Danvers. To access the schedule go to www.atitesting.com. Click ‘Register for the TEAS’ then select Massachusetts and either Lynn or Danvers to see the dates and times available. Space is limited and students are scheduled on a first come-first serve basis. See “Registering and Paying for the Test” for more information.
REGISTERING and PAYING FOR THE TEST
It is recommended that applicants for the Fall Semester of 2011 prepare for the exam early and register to take the test as soon as they feel prepared. Registration and payment for the TEAS test are done online. To view available testing dates, register and pay:

- Go to www.atitesting.com.
- Click on the “Register for TEAS” link.
- Choose Massachusetts and then either Lynn or Danvers to choose a date for North Shore Community College’s testing.
- If you have an existing account, log-in to register and pay.
- If you don’t have an existing account, create an ATI account with a username and password. Once you have created your account, you will need to sign in to register and pay for the test.
- Credit card payment is due online at the time of registration. The fee is $60 per test.
- Payment is NON REFUNDABLE so be sure that you have read the admissions packet thoroughly and that you are ready to test on the date scheduled.
- You will receive an email confirmation of your testing appointment. Bring this confirmation and your ATI Username and Password with you on the date of testing.

If you need help registering for the TEAS, call ATI at 1-800-667-7531.

PREPARATION for TEAS Version 5.0
Students are strongly encouraged to prepare for this exam. The ATI Study Manual is available on reserve at the NSCC libraries, for sale at the NSCC College Bookstores or online at www.atitesting.com. An online practice test is available for a fee from the ATI website (atitesting.com). NSCC also offers non-credit prep courses for the TEAS test. For more information, consult the college website or call Corporate and Community Ed at (978) 236-1200. Be sure to obtain the study materials specific for TEAS version 5.0.

ADMISSION TO THE TEST
Report to ROOM LE232 (Lynn) or ROOM DB213 (Danvers) fifteen minutes before the start time of the test. Students arriving late will not be admitted to the testing session and must pay the $60 testing fee to reschedule. The following are required for admission to your TEAS testing session:

- A photo ID (valid driver’s license or school ID with photo)
- Your ATI confirmation email
- Your ATI username and password

SCORING
Students receive their individual TEAS score reports immediately upon completion of the exam. Students can also access their score reports by logging into www.atitesting.com. The test administrator will send student’s scores to the Enrollment Office at NSCC for the student’s file. However, students must also submit a copy of the scores with their completed application packet.

RETEST POLICY
Applicants to health programs may take the test a total of two (2) times per academic year (July 1, 2010 – June 30, 2011), therefore should not take the test unless properly prepared. See Preparation above for more information. If a student takes the test a third time, the Admissions office will deem these scores invalid and testing fees will not be refunded.

CONFIDENTIALITY
The Center for Alternative Studies and Educational Testing will not provide information to any external sources regarding an individual’s test scores unless written permission is received from the student. This policy is in accordance with the student confidentiality policy of North Shore Community College.

ACCOMMODATIONS
Students with documented disabilities should contact Jane Saunders (978-739-5429 or email jsaunder@northshore.edu) prior to registering for the test.

ACADEMIC DISHONESTY
The use of calculators, dictionaries or other aids is not permitted on the TEAS test. Other rules are posted throughout the Testing Center. Students who fail to comply with these rules face disciplinary action according to NSCC student guidelines. Disciplinary action may include: forfeited test scores, ineligibility for refunds, and the student may be deemed permanently ineligible for services of the testing center.
Application for Admission

How to Apply for Admission

GENERAL INSTRUCTIONS
• Complete ALL information requested on the application form. An incomplete application will delay admissions processing.
• Submit proof of high school graduation, GED, a passing score on a federal Ability to Benefit test, or its equivalent. Some programs may require high school transcripts or GED scores.
• Submit official transcripts from each previous college listed on the application.

SUBMITTING YOUR APPLICATION
Submit all documents to the following address:
North Shore Community College, Enrollment & Student Records, PO Box 3340, Danvers, MA 01923

INFORMATION
• NO application fee is required.
• NSCC has an open admissions policy.
• Some programs have specific selection procedures and interviews may be required. Prospective students are encouraged to call or visit the Enrollment Office in Danvers at 1 Ferncroft Road, or the Lynn Campus at 300 Broad Street.
• Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) check and/or SORI (Sex Offender Registry Information) check prior to participation.
• CORI and SORI checks are not used in any way as admission criteria. Depending on the contents of a student’s CORI and/or SORI, participation in a clinical affiliation, internship, or field placement may be denied. Programs involving a clinical affiliation, internship, or field placement are marked with a ✓ on the List of NSCC Credit Degree & Certificate programs.
• For more information, please call 781-477-2107 or 978-762-4188. Admissions questions may also be emailed to: info@northshore.edu.

FINANCIAL AID
North Shore Community College awards millions of dollars in federal, state and institutional financial aid each year to eligible students. Many students miss out because they do not think they are eligible and do not complete the FAFSA (Free Application for Student Aid).

• Financial aid is available to matriculated students in eligible degree and certificate programs.
  A matriculated student is one who has met all admission requirements and has been accepted into a program of study as a degree or certificate candidate.
  A non-matriculated (non-degree status) student may enroll in a course or courses, but is not considered to be pursuing a degree or certificate and is not eligible for financial aid.
• Application materials are available in NSCC’s Office of Student Financial Services (978-762-4189, 781-477-2191) or online at www.fafsa.gov.
• If you need help with your financial aid application, please contact the Student Financial services website at www.northshore.edu/services/fa for a schedule of FAFSA workshops.
