Thank you for your interest in the Veterinary Technology Program for Fall 2011. This application packet contains important information about admission requirements, the admission process, and program requirements for Fall 2011 (Note: these admission requirements are applicable to Fall 2011 only. For subsequent years, admission requirements are subject to change without notice).

Here are the Steps that must be followed to successfully apply to the program:

STEP 1: READ THE INFORMATION IN THIS PACKET
Please read all of the information in this packet carefully and follow all instructions. Admission to this Program is highly competitive and has a selective admission process. It is your responsibility to assure that you accurately understand the information in this packet and follow it accordingly.

STEP 2: COMPLETE ALL ADMISSION CHECKLIST REQUIREMENTS
The Admission Requirements Checklist in this packet details admission requirements and other important information. You must complete all checklist items for your application to be considered complete and ready for review. Please note that it is the applicant’s responsibility for assuring that the application is complete and received. If any of the required items are incomplete/missing when you submit your application material, your application will not be processed (i.e. reviewed). We will mail it back to you.

STEP 3: SUBMIT YOUR COMPLETED APPLICATION
We will begin taking completed applications on September 20, 2010. All completed applications received by close of business on February 25, 2011 will be reviewed for potential acceptance to the program. Completed applications may be considered under the same procedure after this date because space remains available in the program or waitlist, but there is no guarantee of such consideration. Admission to this program may close at any time after this date without notice. Thus, the only guarantee of consideration is to have the completed application submitted within the above dates. Applicants who submit completed applications between September 20, 2010 and February 25, 2011 will receive written notification of an admission decision in a letter postmarked by April 4, 2011. If offered admission, a non-refundable $100.00 deposit will be required to secure your acceptance to this Program.

• Walk-in Submission - We strongly recommend that you submit your items in person so that we can review them with you to make sure that your application items are complete.

Mail-in Submission - As stated above, it is the applicant’s responsibility for assuring that the application is complete and received. You can mail the items to us (see the NSCC application form for address). However, if any of the required items are incomplete/missing when you submit your application material; your application will not be processed. We will mail it back to you.
**ADMISSION REQUIREMENTS CHECKLIST**
**VETERINARY TECHNOLOGY PROGRAM**

**INSTRUCTIONS (Page 1 of 2): The last Column of this form is to be completed by the applicant.** It identifies the admission requirements for this program.

| Math Requirement | An applicant must demonstrate **ONE** of the following:  
• Elementary Algebra 1 (MAT091) or a higher level math course with a final grade of C or better. This can be completed at NSCC or can be an equivalent course from another accredited College/University.  
• A score of 49 or higher on the Algebra portion (CEAR) of the Computerized Placement Tests  
• achieved a score of 510 or higher on the Math portion of the SAT (there is no time limit on the SAT) | Initial: |
| TEAS Exam - version V | The TEAS V exam can be taken at NSCC, or another site approved by ATI Testing (Note: if not taken at NSCC, an applicant must pay an additional charge to ATI to have an official transcript sent to NSCC). Applicants are limited to two attempts within a year; regardless of the testing site and program to which they are applying. Although there are **no minimum required scores**, each of the following sections are required to be taken: Reading; English; Math; and Science. | Initial:  
See the TEAS Policy and procedure document in this packet for study/preparation information |
| Communications and Math Proficiency | There are many ways to demonstrate this, including but not limited to: placement testing, by course work here or at another College, SAT scores, and some Entrance Exams. For details visit [http://www.northshore.edu/academics/basic_skills.html](http://www.northshore.edu/academics/basic_skills.html) | Initial: |
| NSCC Application for Admission | This form must be completed for the year for which you are applying; regardless of whether you are a new or current student (a previously submitted application does not count). | Initial: |
| Mandatory Information Session Attendance Form | Upcoming dates are included in this packet. When you attend the orientation, you will be given an attendance form to submit. | Initial: |
# Admission Requirements Checklist

<tbody>
<tr>
<td>High school transcript or GED score report</td>
<td>Submit an official copy of the high school transcript or GED score report. If you previously submitted the transcript or score report and attended classes within the past 5 years, then Enrollment likely has it on file. Initial and check: Initial: ____ submitted now with packet of application material. ____ previously submitted</td>
<td></td>
</tr>
</tbody>
</table>
| Official transcripts from all Colleges/Universities previously attended | Submit official transcripts from all Colleges/Universities previously attended. If the College/University will give an official transcript directly to you, then have them do so. This is the most efficient way for you to ensure that receipt of transcripts do not hold up your application. If you have previously submitted transcripts and have since completed courses or are currently registered for courses, then you need to submit an updated transcript. Transfer students from another accredited Veterinary Technology education program must also provide:  
  • an official transcript proving enrollment in Veterinary Technology courses within the last 5 years  
  • course syllabi from all previous Veterinary Technology courses  
Initial and check the option(s) that apply: Initial:  
 ____ submitted with this packet of application material.  
 ____ mailed directly to NSCC  
 ____ previously submitted (no new courses).  
NOTE: The sooner you start the transfer request process the better. It has been the College’s experience that it can take on average 1-2 months for transcript requests to be processed and sent to us from other colleges. |                                                                                                                                                                                                                                                                                                                                  |
| Questionnaire                                       | The questionnaire is included in this packet. A word-processed questionnaire must be submitted for the year in which you are applying. Initial:                                                                                  |                                                                                                                                                                                                                                                                                                                                  |
| Program’s Student Handbook                          | Read the Veterinary Technology Student Handbook in its entirety. This can be accessed in the Library or on the website: [http://www.northshore.edu/academics/departments/vet/announcements](http://www.northshore.edu/academics/departments/vet/announcements) Initial:                                                                 |                                                                                                                                                                                                                                                                                                                                  |

## Evaluation Information

Admission decisions are based on careful evaluation of all admission requirements detailed in the checklist. All submitted transcripts will be evaluated for overall academic performance/history and course work in specific subjects (including but not limited to science, English, behavioral sciences, health courses and math). Questionnaire evaluation includes but is not limited to the following: correct grammar/spelling, overall content and quality of answer (e.g. accuracy, thoroughness, and relevance to the question asked).

## Confirmation Statement

When you can initial every checklist item (on this page and the previous pages) as complete, then sign the confirmation statement below and submit your application to the Enrollment Center in Lynn or Danvers (submit in person if possible, but you can mail it to the address on the NSCC application form): I acknowledge that I have read all of the information in this admission application packet and the Veterinary Technology Education Program’s Student Handbook in its entirety. I acknowledge that it is my responsibility that I understand all of the information contained in these items by seeking further information/clarification from an Academic Advisor and/or other appropriate College personnel. Furthermore, I agree to comply with all College policies including but not limited to Program policies should I be granted admission to this program.

Signature: ____________________________ Date: _______________
1. **If you are accepted** you **MUST** attend a **Mandatory Orientation/Registration** day scheduled for **Thursday, May 19, 2011**.

2. **The program anticipates accepting approximately 20 students for Fall 2011.** The decision in response to your completed application will be: accepted to Veterinary Technology; accepted conditionally to Veterinary Technology; or wait list for Veterinary Technology; or denied admission to Veterinary Technology.

3. Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or which includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a **Criminal Offender Record Information (CORI) and/or Sex Offender Record Information (SORI) check(s)**. Depending on the contents of student’s CORI(s) or SORI(s), participation in clinical, internship, or field placement course(s) may impact a student’s ability to complete program requirements.

4. **Working as a Veterinary Technologist is physically, mentally, and emotionally demanding.** Applicants who are offered admission must document their ability to perform all essential tasks with or without reasonable accommodation in order to begin the professional courses. If you are an otherwise qualified individual with a disability who seeks a reasonable accommodation, you need to contact the Office of Disability Services for eligibility determination for reasonable accommodation(s). A list of the essential tasks is in this packet under the section entitled, “Technical Standards for The Veterinary Technology Program”.

5. **All students must document immunity** to measles, mumps, rubella and Hepatitis B via immunization or titer; document inoculation against diphtheria and tetanus within the last 10 years; and to provide evidence of a negative TST (Tuberculin Skin Test) within 6 months or one negative chest x-ray per OSHA/CDC requirements following a positive TST. A rabies vaccination is strongly recommended. Require students to be in compliance with the current OSHA requirements and standard precaution training. **If you are accepted** a Health Packet will be mailed to you and must be thoroughly completed by your health care provider **AS SOON AS POSSIBLE, but no later than July 8, 2010**. Additionally, if accepted, you will be sent and will need to sign the Technical Standards form (a copy is included in this packet for your review as part of the admission application process).

6. During the program, **students are responsible for their own transportation** to a variety of clinical facilities (which may or may not be accessible by public transportation).
Technical Standards for the Veterinary Technology Program

General Job Description:
Utilizes scientific principles to assist the veterinary practitioner in the identification, prevention, remediation, research and treatment of acute and chronic illnesses found in domestic animals, both large and small. Demonstrates the ability to restrain a variety of fractious animals. Reviews existing data and assists in the collection of additional data and samples from a variety of species. Assists the veterinarian in the administration of a variety of pharmaceuticals. Places and maintains intravenous catheters, monitors patients during general anesthesia, assists the veterinarian during surgical procedures, assists in euthanasia, takes and processes radiographs, operates and maintains a wide variety of equipment including: automated chemistry profile units, pulse oximeters, EKG’s cavitrons, and autoclaves. Documents necessary information in the patient’s medical record and on other forms, and communicates this information to co-workers. Uses problem solving to identify and correct malfunctions in commonly used hospital equipment. Demonstrates appropriate interpersonal skills to work productively with patients, families, staff and co-workers. Accepts directives, maintains confidentiality and upholds the ethical standards of the profession.

* Applicants who are offered admission must document their ability to perform all essential tasks with or without reasonable accommodation in order to begin the professional courses. If you are an otherwise qualified individual with a disability who seeks a reasonable accommodation, you need to contact the Office of Disability Services for eligibility determination for reasonable accommodation(s). For those applicants offered admission, you will be asked to self certify by signing the Technical Standards which are included in the Health Forms packet that you will be required to complete no later than July 7, 2011.
GENERAL INFORMATION
The “Test of Essential Academic Skills v 5” (TEAS) is a computerized test composed of multiple-choice questions organized into four sections, which measure reading ability, basic mathematics skills, science and English grammar. It is a timed test published by Assessment Technologies Institute (ATI Testing), LLP. Testers should plan to spend approximately 4 hours at the test center. The use of calculators, dictionaries or other aids is not permitted.

* Section is required but no minimum score has been determined.

NOTE: Nurse Education and Practical Nursing programs require that the TEAS test be taken at North Shore.

ELIGIBILITY
Any individual may take the TEAS test at the Center for Alternative Studies and Educational Testing. However, students may only take the test two (2) times per academic year (July 2010 – June 2011) for admission to NSCC nursing or allied health programs, regardless of the program to which they are applying.

SCHEDULE – The TEAS test is offered on a regular basis in Lynn and Danvers. To access the schedule go to www.atitesting.com. Click ‘Register for the TEAS’ then select Massachusetts and either Lynn or Danvers to see the dates and times available. Space is limited and students are scheduled on a first come-first serve basis. See “Registering and Paying for the Test” for more information.
REGISTERING and PAYING FOR THE TEST
It is recommended that applicants for the Fall Semester of 2011 prepare for the exam early and register to take the test as soon as they feel prepared. Registration and payment for the TEAS test are done online. To view available testing dates, register and pay:

- Go to www.atitesting.com.
- Click on the "Register for TEAS" link.
- Choose Massachusetts and then either Lynn or Danvers to choose a date for North Shore Community College’s testing.
- If you have an existing account, log-in to register and pay.
- If you don’t have an existing account, create an ATI account with a username and password. Once you have created your account, you will need to sign in to register and pay for the test.
- Credit card payment is due online at the time of registration. The fee is $60 per test.
- Payment is NON REFUNDABLE so be sure that you have read the admissions packet thoroughly and that you are ready to test on the date scheduled.
- You will receive an email confirmation of your testing appointment. Bring this confirmation and your ATI Username and Password with you on the date of testing.

If you need help registering for the TEAS, call ATI at 1-800-667-7531.

PREPARATION for TEAS Version 5.0
Students are strongly encouraged to prepare for this exam. The ATI Study Manual is available on reserve at the NSCC libraries, for sale at the NSCC College Bookstores or online at www.atitesting.com. An online practice test is available for a fee from the ATI website (atitesting.com). NSCC also offers non-credit prep courses for the TEAS test. For more information, consult the college website or call Corporate and Community Ed at (978) 236-1200. Be sure to obtain the study materials specific for TEAS version 5.0.

ADMISSION TO THE TEST
Report to ROOM LE232 (Lynn) or ROOM DB213 (Danvers) fifteen minutes before the start time of the test. Students arriving late will not be admitted to the testing session and must pay the $60 testing fee to reschedule. The following are required for admission to your TEAS testing session:

- A photo ID (valid driver's license or school ID with photo)
- Your ATI confirmation email
- Your ATI username and password

SCORING
Students receive their individual TEAS score reports immediately upon completion of the exam. Students can also access their score reports by logging into www.atitesting.com. The test administrator will send student’s scores to the Enrollment Office at NSCC for the student's file. However, students must also submit a copy of the scores with their completed application packet.

RETEST POLICY
Applicants to health programs may take the test a total of two (2) times per academic year (July 1, 2010 – June 30, 2011), therefore should not take the test unless properly prepared. See Preparation above for more information. If a student takes the test a third time, the Admissions office will deem these scores invalid and testing fees will not be refunded.

CONFIDENTIALITY
The Center for Alternative Studies and Educational Testing will not provide information to any external sources regarding an individual’s test scores unless written permission is received from the student. This policy is in accordance with the student confidentiality policy of North Shore Community College.

ACCOMMODATIONS
Students with documented disabilities should contact Jane Saunders (978-739-5429 or email jsaunder@northshore.edu) prior to registering for the test.

ACADEMIC DISHONESTY
The use of calculators, dictionaries or other aids is not permitted on the TEAS test. Other rules are posted throughout the Testing Center. Students who fail to comply with these rules face disciplinary action according to NSCC student guidelines. Disciplinary action may include: forfeited test scores, ineligibility for refunds, and the student may be deemed permanently ineligible for services of the testing center.
Application for Admission

How to Apply for Admission

GENERAL INSTRUCTIONS

• Complete ALL information requested on the application form. An incomplete application will delay admissions processing.

• Submit proof of high school graduation, GED, a passing score on a federal Ability to Benefit test, or its equivalent. Some programs may require high school transcripts or GED scores.

• Submit official transcripts from each previous college listed on the application.

SUBMITTING YOUR APPLICATION

Submit all documents to the following address:

North Shore Community College, Enrollment & Student Records, PO Box 3340, Danvers, MA 01923

INFORMATION

• NO application fee is required.

• NSCC has an open admissions policy.

• Some programs have specific selection procedures and interviews may be required. Prospective students are encouraged to call or visit the Enrollment Office in Danvers at 1 Ferncroft Road, or the Lynn Campus at 300 Broad Street.

• Students interested in participating in an academic program that involves working with children, the disabled, or the elderly, or includes a clinical affiliation, internship, or field placement with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) check and/or SORI (Sex Offender Registry Information) check prior to participation.

• CORI and SORI checks are not used in any way as admission criteria. Depending on the contents of a student’s CORI and/or SORI, participation in a clinical affiliation, internship, or field placement may be denied. Programs involving a clinical affiliation, internship, or field placement are marked with a ✓ on the list of NSCC Credit Degree & Certificate programs.

• For more information, please call 781-477-2107 or 978-762-4188. Admissions questions may also be emailed to: info@northshore.edu

FINANCIAL AID

North Shore Community College awards millions of dollars in federal, state and institutional financial aid each year to eligible students. Many students miss out because they do not think they are eligible and do not complete the FAFSA (Free Application for Student Aid).

• Financial aid is available to matriculated students in eligible degree and certificate programs.

A matriculated student is one who has met all admission requirements and has been accepted into a program of study as a degree or certificate candidate.

A non-matriculated (non-degree status) student may enroll in a course or courses, but is not considered to be pursuing a degree or certificate and is not eligible for financial aid.

• Application materials are available in NSCC’s Office of Student Financial Services (978-762-4189, 781-477-2191) or online at www.fafsa.gov.

• If you need help with your financial aid application, please contact the Student Financial services website at www.northshore.edu/services/finance for a schedule of FAFSA workshops.
NSCC Credit Degree & Certificate Programs

Welcome! NSCC offers a wide variety of Associate Degree and credit Certificate Programs. To learn more about specific programs, such as locations, schedules and admissions requirements, please visit our website, email us, or call NSCC’s Admissions Department on the Lynn or Danvers campuses for more information.

If no, enter type of Visa.

WILL YOU REQUIRE A TEMPORARY STUDENT VISA (F-1) TO ATTEND NSCC?  ○ YES  ○ NO

Generally, in order to qualify for the in-state tuition rate, applicants must have proof of Massachusetts residency. A resident is defined as a person who has lived for at least six (6) months in Massachusetts, and who intends to remain in Massachusetts indefinitely. International students and, under most circumstances, Non-Resident Aliens ARE NOT eligible for Massachusetts resident rates.

Additional Interests

**Did you know?** The following opportunities are available to you while attending NSCC. Please review and check below if you would like additional information. Some programs have eligibility requirements.

- **Financial Aid**
- **Career Exploration**
  Explore your career path through guided and self-directed Career Exploration and Advising.
- **Mass Transfer Program & Transfer Agreements**
  Admission to four-year colleges and universities guaranteed provided certain requirements are met. For more details on a list of participating four-year colleges and universities, contact NSCC’s Student Support & Advising Center (978-762-4036, 781-477-2132).
- **Honors Program**
  An opportunity for academic challenge, social networking, and enhanced transfer opportunities
- **Presidential Scholars**
  A scholarship opportunity for eligible incoming high school graduates which includes leadership development.
- **STEP**
  High school or home-schooled students can take college courses to finish requirements for a high school diploma.
- **ESL Classes**
  I am interested in learning English as a second language.

**Or, one of NSCC’s supportive learning communities:**

- **TRiO/Student Support Services**
  An academic support and leadership development program for students who meet federal eligibility requirements.
- **Women in Transition**
  Based on the Danvers campus, a strength-based supportive learning community of mature students, which is dedicated to easing the transitions to college, career, and life changing possibilities
- **Project Enable**
  A part-time evening program, providing GED recipients with small classes, academic advisement and an opportunity to earn nine college credits in a supportive learning environment
- **Challenges, Choices, and Change**
  A full-time transitional program, based on the Lynn campus that combines academics and personal development to empower women and build a foundation for success.
- **Bridges to the Stars**
  A bridge program, based on the Lynn campus, offering support and scholarship assistance for women and minority students interested science, technology, engineering or math (STEM) programs.
This questionnaire is NOT an application for admission. Instructions, page one: Please complete this page by printing all of your answers. Attach additional sheet(s) if needed or submit a resume (make sure your name is on each additional sheet).

Please proceed to the next page and follow the instructions.
 Instructions page 2: Please answer all following questions. Evaluation of the answers includes but is not limited to grammar, spelling, as well as overall content and quality of the answer(s) (e.g. accuracy, thoroughness, and relevance to the question asked). Handwritten applications will not be accepted. Make sure your name is on each of the page(s) submitted.

1) Describe how your life/work experiences and extracurricular, and/or volunteer activities contributed to you choosing to become a Veterinary Technician.

2) How do you plan to manage your academic commitments and your other life commitments while enrolled in this rigorous Program?

3) As a member of the healthcare team, what is the role of a Veterinary Technician?

4) Discuss your prior experiences with Math and Science courses. Which were your favorites and why?

5) Describe a challenging personal or work situation. How did you manage the situation? What did you learn from the situation?
MANDATORY INFORMATION SESSIONS
FOR APPLICANTS TO THE

VETERINARY TECHNOLOGY PROGRAM

Applicants to the Veterinary Technology Program must attend an information session. Please come to learn more about the admissions process and the program. Ask your questions. This information should enable you to make a more informed decision about the Veterinary Technology Program.

Sessions for Fall 2010 and Spring 2011 will be held in the Health Professions and Science Building on the Danvers Campus in room 202DH from 4:30 – 5:30 pm on the following dates:

February 9, 2011
March 9, 2011
April 13, 2011

Conducted by Dr. Karen Komisar

(978) 762-4000, ext. 1512

kkomisar@northshore.edu
