In order to receive state funded financial aid, you need to provide residency information. Our records indicate that you, or your parents (if applicable), did not provide this information on your Free Application for Federal Student Aid (FAFSA). Please indicate your residency below and send it back to us immediately. Residency (domicile) is your true, fixed, and permanent home. If you moved into a state for the sole purpose of attending a college, do not count that state as your legal residence.
