SUMMER AID APPLICATION POLICY AND GUIDELINES

Who Qualifies for Summer Aid:

- For returning students, only those individuals with remaining Pell Grant eligibility may be eligible for summer aid. (Note: if you were enrolled in 12 credits or more for both fall and winter/spring semesters, you are not eligible for additional Pell grant in the summer.)
- New students may be eligible. They must complete the 08/09 FAFSA.
- Applicants must have a complete financial aid file to be reviewed for summer eligibility.
- Applicant must be currently enrolled in an eligible degree or certification program at NSCC.
- Applicant must be making satisfactory academic progress as defined by NSCC. If you are on financial aid suspension during winter/spring 2009 semester, you are required to submit a written appeal to be considered for summer aid. Go to the link "Satisfactory Academic Progress" at <http://northshore.edu/services/fa/index.html> for information regarding appeals.
- Applicant must meet all eligibility criteria for financial aid.
- There is no bookstore credit for summer classes. Students will need to pay for books and supplies themselves.
- Application materials may be turned in to the Lynn Enrollment Center or the Danvers Student Financial Services Office.

Summer withdrawal policy:

- The summer term at NSCC consists of two six-week sessions. If the applicant withdraws from any summer session course prior to July 9, 2009, Financial Aid will not pay summer charges.

IMPORTANT!

Due to the high number of summer financial aid applications, we prefer that all students check their summer aid status on Pipeline. The results should be posted within 3-5 days after you submit your application. To check your summer aid status:

Log-in to Pipeline ⇒ School Services ⇒ Financial Aid ⇒ My Eligibility ⇒ Student Requirements

Look for "Summer Financial Aid Application" under requirements. One of four status notices will appear:

Approved.....	Accepted for summer aid based on the number of credits submitted on application (please note that your summer aid <u>may not</u> cover your total charges for summer).
Denied.....	Denied summer aid; student not eligible for additional Pell Grant.
Pending.....	Pending completion of financial aid file; student must have a complete record before summer aid application is reviewed.
Received Needs	
Review.....	Application received but not reviewed at this time; check again.

The amount of your summer aid will be posted on your Pipeline account after you have registered for summer classes. To check your summer aid award:

Log-in to Pipeline ⇒ School Services ⇒ Financial Aid ⇒ My Award Info ⇒ Award Payment Schedule

NOTE: IF YOU HAVE COMPLETED A DEGREE, YOU NEED TO FILL OUT A GRADUATE READMIT FORM THROUGH THE ADMISSIONS OFFICE.
