**Articulation Agreement**  
**North Shore Community College**  
*Associate Science, Accounting, Business Administration Transfer, Graphic Design (Print & Integrated Media), Hotel Management, Management, Marketing and Travel, Tourism & Hospitality*  
**and**  
**Endicott College, Van Loan School of Professional Studies**  
*Bachelor of Science, Business Administration*

1. Endicott College's Van Loan School of Professional Studies assures the acceptance of any Accounting, Business Administration Transfer, Graphic Design (GDD or IMD), Hotel Management, Management, Marketing or Travel, Tourism & Hospitality, associate degree graduate of North Shore Community College, who has earned a grade point average of 2.0 or better (on a 4.0 scale). Students who are accepted with 60 or more transfer credits will be classified as Endicott College Juniors.
2. Transfer students from North Shore Community College who have earned an Accounting, Business Administration Transfer, Graphic Design (GDD or IMD), Hotel Management, Management, Marketing or Travel, Tourism & Hospitality associate degree will receive academic credits for all college-level courses applied toward the requirements of the associate degree as indicated in attached transfer table. As the degrees at the Van Loan School were designed with adult learners in mind, North Shore students are required to submit a resume showing, at minimum, two years work experience as part of the application. Students without this work experience will be considered for admission on a case by case basis.
3. North Shore Community College will provide a full North Shore Community College transcript for each student transitioning to Endicott College.
4. It is recommended that students make an appointment with their Endicott College academic adviser within one month of beginning classes at Endicott College.
5. Non-credit or remedial courses determined to be below college credit will not be accepted for transfer.
6. It is understood that if a student does not have the foundation or skill to enroll in an upper level course because he/she has not taken any introductory courses, he/she will be required to take any necessary prerequisite(s). Additionally, the start of coursework will be dependent on the availability of an appropriate cohort. Therefore, Endicott College cannot assure every student the completion of requirements for the baccalaureate degree within a two-year period.
7. Students wishing to plan their transfer from North Shore Community College to Endicott College in any of the approved degree programs are encouraged to communicate early with their academic advisors at North Shore Community College and the academic advisors of the Van Loan School of Professional Studies to ensure that they meet prerequisites for upper division courses and to secure specific information about transfer credits and degree requirements.
8. This agreement will be reviewed annually and may be revised by representatives of either institution.
9. This agreement is expected to continue in force indefinitely but may be terminated by either party with not less than one year's notice.
