- In order to be eligible for this program students must already be a licensed LPN and in good standing
- Fall start only
- Day program
- Clinical experience may be day or evening
- Required: National Background Check, MA CORI, Drug Testing, Fingerprinting

Campus Information

- Danvers campus based

Additional Graduation Requirements

- Cumulative CLGPA at or above 2.0
- Submit your intent to graduate form at: www.northshore.edu/registrar

Advising Notes

- The recommended courses are designed upon completion to prepare a student to be eligible to enter the licensure process, which includes successful completion of the National Council Examination for Registered Nurses (NCLEX RN) on route to being able for entry level employment as a registered nurse.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in at least 15 credits if taking only fall/spring courses.
- Completing at least 30 credits each year helps students stay on track to timely graduation.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.

® Required course for degree
X Center for Alternative Studies & Educational Testing (CAS) – Course competencies and prerequisites may be fulfilled through Credit for Prior Learning (CPL). Visit www.northshore.edu/cas for more information.

Congratulations NSCC Graduate!
