| Total Program Credits:   |   |          | 60      |                   |               |            |

### **Program Notes**

- Open admissions
- Eligible North Shore Promise program
- Day, evening, online program
- North Shore Community College received recognition from FEMA as a FESHE Institution of Higher Education.

#### **Campus Information**

• Danvers campus based

#### **Additional Graduation Requirements**

- Cumulative CLGPA at or above 2.0
- Submit your intent to graduate form at: www.northshore.edu/registrar

#### **Advising Notes**

- This degree is designed upon completion to prepare students for entry level and supervisory roles in the fire service.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in 15 credits if taking only fall/spring courses.
- Taking classes in the winter intersession and summer can accelerate your time to degree completion.
- Completing 30 credits each year helps students stay on track to timely graduation.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.
