Advising Notes

- This degree is designed upon completion to prepare students for entry level employment in human services.
- Students who complete the first 30 credits should consult an adviser and potentially apply to graduate with a Mental Health, Gerontology, Children's Behavioral Health or Youth Worker Certificate on route to earning this degree.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in 15 credits if taking only fall/spring courses.
- Taking classes in the winter intercession and summer can accelerate your time to degree completion.
- Completing 30 credits each year helps students stay on track to timely graduation.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.
