Advising Notes

- The transfer program is intended for students who would like a career in education, focusing on teaching and working with PK-2nd grade children in public school settings.
- The recommended courses listed above are designed upon degree completion to enable a student to be eligible to transfer to a four year college or university to pursue a PK-2nd grade program, leading to preparation for PK-2nd grade licensure to teach in PK-2nd grade in public school settings. Check your receiving institution to determine best credit options.
- Courses are listed in the recommended order you should take them.
- Many courses have prerequisite requirements that must be fulfilled to be eligible to enroll in the course.
- If you intend to graduate with an associate degree in two years, you should enroll in at least 15 credits if taking only fall/spring courses.
- Completing 30 credits each year helps students stay on track to timely graduation.
- Taking classes in the winter intersession and summer can accelerate your time to degree completion.
- All student degree audits for graduation purposes will be based off the official program of study the student is enrolled in.
