Immunization Requirements for Fall 2022

In order to enroll in your Medical Assisting program courses, you will need to meet the following requirements:

Attend the mandatory in person orientation on June 27th 2022. Detailed information will be provided closer to the date.

Student must arrange for an appointment so that your health care provider can thoroughly complete your health forms. All forms including health forms will be submitted to CastleBranch (discussed at orientation).

Student must obtain appropriate documentation that meet the requirements for the MANDATORY **I**MMUNIZATIONS AND TESTS FOR **ALL** of the following:

- COVID-19 Vaccination Record card for the COVID-19 vaccine and booster
- Two (2) doses of live MMR [Measles (Rubeola), Mumps, German Measles (Rubella) or positive blood test/titers.
- One (1) dose of Adult Tdap after 2005. Must update Tdap/TD (tetanus) if Tdap is ≥ to 10 yrs. old.
- Hepatitis B positive immune blood test/titer OR two (2) or three (3) dose series AND positive immune blood test/titer report.
- If Hepatitis B blood test/titer is negative (not immune), then must seek booster OR repeat 2nd series Hep B vaccine AND re-test blood test/titer one month following booster or series.
- Two (2) doses of Chicken Pox (Varicella) or positive blood test/titer report (Hx: chicken pox disease unacceptable).
- One (1) dose meningococcal vaccine (MenACWY) on/after 16th birthday or waiver (ONLY students 21 years or younger).
- 2022-2023 Fall Seasonal Influenza documentation prior to 10/30/2022.
- Review and sign all program policies included in this packet.

The information contained in these forms will remain confidential and will only be released to authorized individuals involved with your clinical affiliation(s), field placement(s) and program accreditations. Your signature below serves as informed consent.

Please remember that completion of this packet **by July 15th** (unless noted above) is a condition of your continued enrollment and participation in all activities associated with the Medical Assisting Certificate Program.
