

2023-2024 TECHNICAL STANDARDS FOR NURSE EDUCATION PROGRAM

To the student: As you complete this form please consider your physical and mental/attitudinal ability to meet the Technical Standards associated with the health professions program that you are about to enter. Please carefully consider the General Job Description as you evaluate your ability to meet the Technical Standards specified.

General Job Description: Assess patients using critical thinking in decision-making. Provide physical and emotional care to patients. Apply principles of therapeutic communication and teaching appropriately.

Throughout the performance of your duties as a healthcare provider, you will be exposed to infectious diseases in all practice settings. Although you will learn practices and procedures to minimize the risk of exposure, you should be aware of the risk and take it into consideration when deciding to enter this program and profession.

IMMUNIZATIONS		
<p>Health science students must meet immunization requirements under state law, MGL Chapter 76, Section 15C and its regulations at 105 CMR 220.000 – 220.700. Students must also meet any additional immunization requirements required by clinical affiliates. https://www.mass.gov/info-details/school-immunizations</p> <p>According to MGL Chapter 76, Section 15C, a health science student who is in contact with patients may be exempt from the immunization requirements imposed under state law pursuant to a medical or religious exemption. Submission of documentation will be required and, if sufficient to qualify for a medical or religious exemption, it will be granted. PLEASE BE ADVISED that, while the college will make a reasonable effort to place you in a clinical facility, clinical placement cannot be guaranteed in light of an un-immunized status. If a clinical placement cannot be secured, then you will be unable to complete the program's clinical requirement. Thus, you will be unable to progress and will fail out of the program.</p>		

***Performance Level: O = occasionally 50-74%; F = frequently 75-89%; C = constantly 90-100%**

Applicants who are offered admission must document their ability to perform all essential tasks with or without reasonable accommodation in order to begin the professional courses. If you are an otherwise qualified individual with a disability who seeks a reasonable accommodation, you need to contact Accessibility Services for eligibility determination for reasonable accommodation(s). For those applicants offered admission into the program, you will be asked to self-certify that you meet the Technical Standards.

TECHNICAL STANDARDS – NURSE EDUCATION

Applicants must acknowledge and self-certify by initialing and signing the Technical Standards form that they have read and understand the need to perform all essential tasks with or without reasonable accommodation. This form is required to be uploaded to the applicant’s online application in order to be considered for admission.
