Disability Packet to Request Accommodations

To request accommodations, submit this completed packet (pages 2 and 3) along with the specified supporting documentation as early as possible.

- ❖ During peak intake periods (before the fall and spring semesters), submit packets *at least 6 weeks* before the start of the semester to ensure that your approved accommodations will be in place when classes begin.
- ❖ If you would like to request accommodations for multiple disabilities, please submit additional verification forms (page 3) with your packet.
- ❖ Specific accommodations cannot be discussed until we receive your complete documentation.
- ❖ Once we receive your materials and confirm that you are registered for courses, we will call you to schedule an intake appointment. Incomplete packets cannot be processed.
- ❖ You will meet one-on-one with a Disability Counselor to formulate reasonable accommodations. This appointment typically lasts 1 hour.
- ❖ To prepare for this meeting, please familiarize yourself with “The Differences between High School and College Accessibility Services” (see our website or brochure).

Please attach the results of neuropsychological or educational testing administered within the last 5 years. If you do not have these reports, you can usually obtain them from your high school. The testing must include both:

Aptitude Scores (This is a measure of your intellectual functioning or IQ. The WAIS-IV is a common assessment tool).

Achievement Scores (This is a measure of your academic performance in standardized categories. The WRAT-5, WIAT-III and Woodcock-Johnson Revised are common assessment tools).

Please note that we cannot process your packet without the reports listed.

You may send your SOP Plan if available, but it is not required.

There is no need to submit your IEP; please do not send this report.
