

**Memorandum of Understanding
between
Endicott College
&
North Shore Community College**

Preamble

This document describes the formal agreement between Endicott College and North Shore Community College (NSCC) with regard to the annual direct entry of selected undergraduate students of North Shore Community College into the following degree programs offered by the following schools of Endicott College:

- School of Science & Technology: BS in Engineering
- School of Social Sciences, Communications and Humanities: BS Psychology and BS Criminal Justice, BA History, BA English
- School of Business: BS in Management
- School of Nursing: BSN
- School of Visual & Performing Arts: BFA in Graphic Design
- School of Education: BA in Liberal Studies/Education
- Van Loan Division of Professional Studies: See Chart Below

| Van Loan Division of Professional Studies | NSCC A.S. degrees that transfer |
|--|--|
| B.S. Business Management | A.S. Accounting; AA. Business Administration Transfer/Management Pathway/Hospitality Pathway; A.S. Digital and Social Marketing; A.S. Graphic Design Print; A.S. Graphic Design Integrated Media |
| B.S. Psychology | A.A. Liberal Arts-Psychology; A.A. Developmental Disabilities; A.A. Drug & Alcohol Rehabilitation; A.A. Human Services Practitioner |
| B.A. Liberal Studies | A.A. Liberal Arts Transfer; A.A. Early |

| | |
|--|---|
| | Childhood Education; A.A. Elementary Education Transfer |
|--|---|

Direct entry for a Bachelor's degree program means that graduates with an Associate Degree from NSCC have guaranteed acceptance into Endicott College. Students at NSCC who have attained a Cumulative Grade Point Average (CGPA) of 2.00 and completed their Associate's degree will be eligible for direct entry. Students will complete the Associate's degree requirements at NSCC, and their junior and senior year at Endicott College. The students will receive a Bachelor's degree from Endicott College upon meeting the degree requirements.

Completion of the Bachelor's degree in two years is not guaranteed and requires successful fulfillment of all pre-requisite requirements delineated in the attached curriculum matrix document along with the respective Bachelor's degree requirements. NSCC students will have the option of completing some pre-requisite requirements at Endicott College concurrently with their Associate's degree program at Endicott College, and these pre-requisite courses can be used as electives towards fulfillment of their undergraduate program at NSCC. Non-credit or remedial courses determined to be below college credit will not be accepted for transfer.

Both parties agree to extend this cooperation to Bachelor's degree programs in other disciplines at each university. Both parties also agree to work together to compare and develop the curricula and course mapping necessary to ensure that the courses at NSCC and Endicott College are compatible.

Requirements for Progression to Endicott College

To matriculate into a Bachelor's program at Endicott College, the student must have the undergraduate degree from NSCC conferred and the CGPA must be greater than or equal to 2.00 at the time of degree conferral.

Students who wish to be considered for this program will indicate their interest by submitting a letter of application to the appropriate NSCC official (i.e., Dean of Liberal Studies) in addition to completing the application form on Endicott College website. NSCC will submit a recommendation letter acknowledging the qualifications of the student that will accompany the student's application for admission into the selected Bachelor's program.

The application fee and the requirement to include test scores such as SAT or AP will be waived for students who meet the direct-entry criteria; however, all other admissions requirements (see below) will still apply:

- Online application
- Statement of purpose,
- Three (3) letters of recommendation
- Official transcripts
- Cumulative GPA requirements are fully met

Specific School Requirements:

- School of Social Sciences, Communications and Humanities: Students need one of the three letters of recommendation to be from the NSCC representative
- Van Loan Division of Professional Studies: As the degrees at the Van Loan School were designed with the adult learners in mind, North Shore students are required to submit a resume showing, at minimum, two years work experience as part of the application. Only one letter of recommendation is required.
- Nursing: Students may be admitted directly to the BSN program once they have passed the licensure examination, no work experience as an RN is required. Only one letter of recommendation from a manager or professor is required.
- School of Business: Students need one of the three letters of recommendation to be from the NSCC official (i.e., Dean of Business) and one from a manager or professor.

Students who do not meet the direct-entry criteria may still apply for admission into a Bachelor's degree program. These students may be provided with a waiver of the application fee and GRE requirement, at the discretion of Endicott College, on a case-by-case basis.

All final admission decisions to Endicott College rests solely with Endicott College.

Quality Assurance

Endicott College and NSCC will form one committee together to develop an appropriate quality assurance mechanism to ensure that students are well prepared before they enter Endicott College. Details of the composition of this committee will be discussed further and agreed upon at a later date. Representatives from both institutions may, with permission of the instructor, attend classes at the other institution and review syllabi, homework, and project assignments. With permission of the student, they may also review that individual student's work.

Each year the committee will review the curriculum matrix in the Appendices to ensure course requirements are updated as needed. Any recommended and approved changes will be recorded as an update to this Memorandum of Agreement.

Scholarships

Upon matriculating to Endicott College, NSCC students have the same opportunities as other Endicott College students to compete for various scholarships offered by Endicott College.

Publicity

Representatives may not use any identifying logos or marks of Endicott College without the express written permission of Endicott College in the form of the Combined License Agreement

for Trademark Use. Furthermore, each party may display only those trade names, trademarks, services marks, logos, domain names, and other distinctive brand features (“Brand Features”) of the other party, respectively, as authorized by the other party. Neither party may display or use the other party’s Brand Features beyond what is allowed in this agreement without the other party’s prior written consent. All other rights and interests concerning the content or intellectual property owned by the university are reserved by the university.

Non-transferability

No roles or responsibilities may be transferred to a third party. This agreement applies only to the relationship between NSCC and Endicott College.

Validity

The arrangements in this memorandum will come into force from the date of its signing and will remain in force for a period of five (5) years unless terminated by either party in accordance with the terms of this MOU. This MOU may be renewed for another period of three (3) years upon mutual written consent of the parties before the expiration date. This MOU is made in English and each institution will have copies of the agreement.

Termination

Either institution may terminate this agreement by giving six months’ notice to the other institution. If such notice is given, both parties agree to ensure that all commitments to existing or accepted students are honored.

In the event that obligations agreed to in this memorandum are not fulfilled, either party can suspend or withdraw from the agreement with immediate effect.

The following authorized individuals have signed the present MOU on behalf of their respective institutions:

Appendix D

North Shore Community College
A.A. Transfer Plan (Criminal Justice)

Associate in Arts, Criminal Justice to the Bachelor of Science in Criminal Justice DRAFT

The goal of this transfer plan is to provide guidance for students pursuing an Associate in Arts (A.A.) Criminal Justice at North Shore Community College (NSCC) who are interested in pursuing a Bachelor of Science (B.S.) in Criminal Justice at Endicott College. The course equivalencies would allow students to meet both the requirements of the A.A. degree and prepare for a seamless transfer to Endicott College.

- Please note that only courses that have equivalencies are displayed. There may be other courses that are transferable from NSCC.
- This transfer plan includes 60 credits from NSCC's A.A. degree in Criminal Justice to be transferred into Endicott College's B.S. in Criminal Justice (traditional undergraduate or Van Loan) program. If the student has taken more than 60 credits at NSCC, an additional maximum of 25 credits may be transferred into Endicott College's B.S. degree in Criminal Justice, determined on a case-by-case basis and if they meet degree requirements.
- Grades of "C" or better will be accepted, and no more than six credits may carry a "C-" grade.
- A minimum of 24 of the last 30 credits toward a degree must be earned at Endicott.
- If the student is transferring to the traditional undergraduate program, INT100 Internship I and INT200 Internship II will be waived. Students will need to take additional electives to make up the number of credits needed for graduation.
- Accepted transfer credits are counted as credits toward the degree but are not computed into the students' grade-point average. Semester and cumulative grade-point averages reflect only courses taken at Endicott.
- For financial aid information, please see:

APPENDIX E

North Shore Community College
A.A. Transfer Plan (Psychology)

Associate in Arts, Liberal Studies (LAT) – Psychology Pathway
to the Bachelor of Science in Psychology
DRAFT

The goal of this transfer plan is to provide guidance for students pursuing an Associate in Arts (A.A.) Liberal Studies (LAT) Psychology Pathway at North Shore Community College (NSCC) who are interested in pursuing a Bachelor of Science (B.S.) in Psychology at Endicott College. The course equivalencies would allow students to meet both the requirements of the A.A. degree and prepare for a seamless transfer to Endicott College.

- Please note that only courses that have equivalencies are displayed. There may be other courses that are transferable from NSCC.
- This transfer plan includes 60 credits from NSCC’s A.A. degree in Liberal Studies Psychology Pathway to be transferred into Endicott College’s B.S. in Psychology (traditional undergraduate or Van Loan) program. If the student has taken more than 60 credits at NSCC, an additional maximum of 25 credits may be transferred into Endicott College’s B.S. degree in Psychology, determined on a case-by-case basis and if they meet degree requirements.
- Grades of “C” or better will be accepted, and no more than six credits may carry a “C-“ grade.
- A minimum of 24 of the last 30 credits toward a degree must be earned at Endicott.

- If the student is transferring to the traditional undergraduate program, INT100 Internship I and INT200 Internship II will be waived. Students will need to take additional electives to make up the number of credits needed for graduation.
- Accepted transfer credits are counted as credits toward the degree but are not computed into the students' grade-point average. Semester and cumulative grade-point averages reflect only courses taken at Endicott.

APPENDIX G

North Shore Community College
A.A. Transfer Plan (English)

**Associate in Arts, Liberal Studies (LAT) – English Pathway
to the Bachelor of Arts in English, Literature and Language Concentration
DRAFT**

The goal of this transfer plan is to provide guidance for students pursuing an Associate in Arts (A.A.) Liberal Studies (LAT) English Pathway at North Shore Community College (NSCC) who are interested in pursuing a Bachelor of Arts (B.A.) in English at Endicott College. At Endicott, English majors concentrate in one of three areas: Literature and Language (which is comparable to Literary Studies but also includes two Writing and Rhetoric electives); Creative Writing; and Secondary Education Licensure. The course equivalencies would allow students to meet both the requirements of the A.A. degree and prepare for a seamless transfer to Endicott College as English majors concentrating in Literature and Language.

- Please note that only courses that have equivalencies are displayed. There may be other courses that are transferable from NSCC.
- This transfer plan includes 60 credits from NSCC's A.A. degree in Liberal Studies English Pathway to be transferred into Endicott College's B.A. in English, Literature and Language Concentration. History. If

the student has taken more than 60 credits at NSCC, an additional maximum of 25 credits may be transferred into Endicott College's B.S. degree in English, determined on a case-by-case basis and if they meet degree requirements.

- Grades of "C" or better will be accepted, and no more than six credits may carry a "C-" grade.
- A minimum of 24 of the last 30 credits toward a degree must be earned at Endicott.
- If the student is transferring to the traditional undergraduate program, INT100 Internship I and INT200 Internship II will be waived. Students will need to take additional electives to make up the number of credits needed for graduation.
- Accepted transfer credits are counted as credits toward the degree but are not computed into the students' grade-point average. Semester and cumulative grade-point averages reflect only courses taken at Endicott.
- For financial aid information, please see:
