DEAN'S MESSAGE

Join us either on campus or online this Winter/Spring 2022 term to begin a new career or upgrade your skills. Students who seek to register for any courses that include an in-person component or who plan to come on campus for any reason for the Winter/Spring 2022 semester, will be required to provide documentation of their COVID-19 vaccination. More detailed information will be available when you register.

We are looking forward to an exciting semester with many course offerings! Our instructors are not only experts in their fields, but also engaging and dedicated to teaching and to your success. You can search, find, and register for courses at: northshore.coursestorm.com. If you have any questions email us at: professional@northshore.edu.

Here are some examples of classes offered this Winter/Spring by some of our favorite instructors: **Kevin McAlarney** holds both a Bachelor's degree in Accounting and an MBA degree. After six years working in the private sector, Kevin started his own CPA firm, providing accounting and tax services to business owners and individuals for over thirty years. Kevin is also a licensed CPA. Prior to teaching at NSCC, he taught various accounting classes for ten years at Bridgewater State University. *Bookkeeping and Accounting Part 1 and 2* and *Introduction to Taxes—Distance Learning* are taught live—remotely through Zoom. **Kristalyn Burns** is an alumna of NSCC. She graduated from the Graphic Design program in 2007 and went on to get a Bachelor's Degree. Kristalyn has 10+ years of industry experience in Graphic Design and Web Design, and enjoys working with students. She started her teaching career at NSCC in 2013, instructing courses in graphic and web design for both credit and noncredit. Ms. Burns will be on campus this semester, teaching courses in *Graphic Design Theory* and *Adobe Creative Cloud*.

We are also pleased to introduce a new on-line learning initiative to help you improve your English language skills from home while learning vocabulary to help move your career forward. These online career-oriented classes will be offered to a limited number of our NSCC students who are registered for our eligible noncredit programs in health care, IT, manufacturing and more. There are a limited number of seats available. To find out how you may be accepted to this new learning program and to get on our waiting list, contact: sryan@northshore.edu.

We are looking forward to seeing you for our Winter/Spring classes beginning in January with new offerings starting weekly.

Credit for Prior & Experiential Learning

Your life experience is valuable. Now you can apply that know-how towards earning your certificate or college degree on campus or online. With Credit for Prior Learning (CPL), we can potentially reward the knowledge you've gained over the years by translating those learning experiences into college-level coursework. Save money and complete your degree faster by demonstrating what you already know through workplace experience and training, military service, professional certifications, or your volunteer service. <https://myexperiencecounts.mass.edu/home>.

At the Center for Alternative Studies and Educational Testing (CAS) you may be able to receive college credit through Prior Learning Assessment and Experiential Learning that takes place via volunteering, employment, seminars, and workshops, completion of noncredit courses, military training, or cultural experiences.

Visit www.northshore.edu/cas/credit/evaluation-credit.html for more information.

Who is MassHire and Why Should I Care?

MassHire is the brand name for the Massachusetts Workforce System. The North Shore Career Center and North Shore Workforce Board are your local MassHire connections to job listings, labor market information and information about skills training opportunities here on the North Shore. MassHire-North Shore Career Center and MassHire-North Shore Workforce Board envisions a better future for area job seekers and businesses in this region through helping residents find great jobs with sustainable career pathways.

Need help with a job search or would you like to learn about new career training options?

The staff from the MassHire-North Shore Career Centers are working remotely throughout the COVID-19 period. During this time staff remain prepared to help companies and individuals get all available services in the simplest and most efficient manner. Staff is prepared to help our customers explore career pathways in local priority industries, the skills needed in these industries, and where to find the training to get the jobs. Assistance from MassHire-North Shore Career Center is only a phone call away at 978-825-7200 or at our website <https://masshire-nscareers.org>.

Do I have to be unemployed to use the Career Centers?

No. The career center services are available to everyone. As a matter of fact, many of our customers are currently students or employed but use our services to explore their new career options.

Am I eligible for re-training dollars?

Training is a great way to close skills gaps in your work experience and help customers to become more competitive for current job openings. The staff of the MassHire-North Shore Career Center can help determine if residents qualify for specialized skills training funds or other grant funded training programs. Training funds may be available to you if you are receiving unemployment benefits, are on certain public assistance programs, the Workforce Investment Opportunity Act (WIOA), and the Federal/State Financial Aid (Pell Grants, Scholarships and Stafford Loans).

As a business owner, what services can I receive from the Career Center?

Area businesses may list company job openings, get assistance with pre-screening job applicants, obtain information about the local labor market, assistance with basic worker recruitment or information related to participating in a job fair.

North Shore Community College offers many certificate and certification training programs that may qualify for funding. For more information visit www.masshire-nscareers.org or call 978-825-7200.

Attention! Did You Know...

Each of our classes has a minimum enrollment!

If you find that perfect class that you just have to take, encourage a friend to join you! Sometimes one or two students make the difference between a class running, or a class cancelling. Many of our classes fill up fast, so enroll early to ensure your spot in that perfect class!

Register today! We've made it easy for you <https://northshore.coursestorm.com> or 978-236-1200.

We have a new refund policy!

Students registered for Professional Education (noncredit) workshops and courses must withdraw in writing by email to professional@northshore.edu at least three days prior to the first session in order to receive a full refund of tuition, less a 6% processing fee. All other charges are nonrefundable. All remaining amounts paid to North Shore Community College will be refunded directly to the student or to the credit card that was used to pay for the course(s). After the three-day withdrawal period, no refunds will be given.

A COVID-19 vaccination is required for students attending in-person classes for Winter/Spring 2022 and for anyone coming to campus for in-person services.

Students registering for on-campus courses for the Winter/Spring 2022 semester must proof of vaccination.

Students who are ready to comply with this mandate can submit proof they are fully vaccinated right now: <https://bit.ly/3EjBCRm>. This link will only work if you are currently signed into your NSCC Gmail account.

NSCC will continue to offer online and video-conference courses for the Winter/Spring 2022 semester. Students can register for these courses without proof of their COVID-19 vaccination status.

Online Courses & Career Training Programs

Career Training

In as little as six months, these open enrollment programs designed to provide the skills necessary to acquire professional level positions for many in-demand occupations. Topics include:

- Digital Marketing Strategist* GES2040
- Comprehensive Medical Billing and Coding (vouchers included) GES1014
- Medical Billing and Coding Comprehensive with Certified Medical Administrative Assistant (vouchers included) GES2015
- Web Design Professional* GES517
- Certified Administrative Professional with Microsoft Office Specialist 2019
- CompTIA Certification Training: A+, Network+, Security+
- Certified Administrative Professional with Microsoft Office Specialist 2019* GES2047
- Certified Administrative Professional* GES219

* Eligible for WIOA funding

Machinist Training Preparation

Get prepared for a rewarding career as a nationally-certified CNC Machinist.

Now is the time to start a rewarding career in advanced manufacturing. Through a partnership between the GE Foundation, North Shore Community College, Essex North Shore Agricultural & Technical School, and MassHire-North Shore Career Center, you can earn a National Institute for Metalworking Skills (NIMS) certificate in CNC milling free of charge. Demand for skilled workers has never been higher!

Classes are designed to meet your needs:

- Career change or advancement track
- High School completion track
- ESL track

Interested? Email Susan Ryan at sryan@northshore.edu

Remote and In-Person Learning is Happening at the NSCC Adult Learning Center (ALC)!
**Unique Opportunities for Education, Career Exploration,
and IT Workplace Training at No Financial Cost to Students**

**Do you need your high school diploma?
Are you at least 16 years old?**

With a combination of face-to-face and online remote learning, the ALC's High School Equivalency Test (HiSET) preparation classes integrate academics and college and career readiness in the classroom, supported with advising to assist with next steps after graduation. You must be able to commit to twelve hours per week for instruction and outside classwork. All face-to-face classes are held on the Danvers campus. There is an opportunity for every starting point:

- Class 3: at least 9th grade skills in reading and math
- Class 2: at least 5th to 8th grade skills in reading and math
- Class 1: at least 2nd to 5th grade skills in reading and math

Contact Erin O'Brien at 978-236-1226 or eobrien08@northshore.edu to begin the enrollment process. To learn more or complete the online interest form, go to: www.northshore.edu/adult_learning.

**Cannot attend classes
in person at all?**

The Adult Learning Center also offers an online Distance Learning option to help students study for their HiSET from their own homes. Students must be able to:

- Commit to five hours of distance learning work per week
- Attend an orientation session
- Participate in periodic face-to-face meetings
- Conduct ongoing email communication with instructors

To find out more, email Distance Learning Coach Zoe Fogarty at zfogarty01@northshore.edu.

**Get into the tech industry: Earning IT industry certification will give
you the skills needed to advance in your career or discover a new one.**

An innovative and individualized 20-week education and training program is offered at the Adult Learning Center twice per year. You will learn CyberSafe, CompTIA IT Fundamentals, Service Desk and Support Analyst, Elements of Coding, Microsoft Office and Google Docs, and more! In addition to the IT classes, students will study for their HiSET if needed, strengthen academic skills, develop a professional resume, and discuss workplace skills in the 21st century.

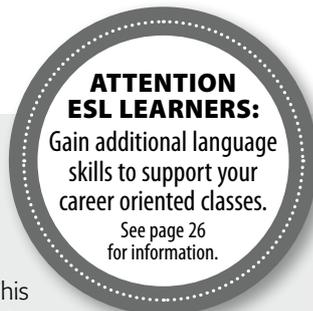

Interested? Ready to take the next step in your life?

Contact the Program Coordinator Stephanie Moriarty at smoriart01@northshore.edu.

**Don't miss this life-changing opportunity for students with or without a high school diploma!
The median level wages for these jobs range from \$41,940 to \$60,090.**

HEALTH CARE

Employment in healthcare occupations is projected to grow 16% from 2020 to 2030, much faster than the average for all occupations, adding about 2.6 million new jobs.

Healthcare occupations are projected to add more jobs than any of the other occupational groups. This projected growth is mainly due to an aging population, leading to greater demand for healthcare services.

You could work directly with people, or in laboratories to get information used in research, diagnosis or sterilization. Health service employees go to work at a variety of different sites. Some work in hospitals, offices, or laboratories. Others work on cruise ships, at sports arenas, or within communities. If you choose to pursue a degree in health care, you may be eligible to receive college credit through Prior Learning Assessment and Experiential Learning for these courses.

NURSE ASSISTANT PLUS: NURSE ASSISTANT, PHLEBOTOMY AND EKG

Enhance your skills and employment opportunities when you combine these three certifications. Demand for this occupation continues to grow! See schedules below for class information.

NURSE ASSISTANT/HOME HEALTH AIDE (XCN)

QUICK FACTS: Nursing assistants give personal care to patient in hospitals and nursing homes. They work under the direction of nurses and doctors. Home health aides care for recovering patients, the elderly, or people with disabilities in their own homes.

Entry Level to Experienced Level Wages	\$28,725–\$42,110
Preparation	High school diploma or equivalent recommended. Be at least 16 years old. Short-term training program, and pass the Massachusetts state licensing exam.
Certification Opportunities	Nurse Assistants must be certified in the State of Massachusetts.
10 Year Growth	Massachusetts: 7.6%

– Data from BLS.gov

Nurse Assistant/Home Health Aide

Nurse Assistant training prepares you for an entry-level career in healthcare. Training includes preparation for the State Board exam to become certified, along with certifications in Home Health Aide, CPR, and CMS Hand in Hand Dementia Training. Fulfill your clinical* experience in a local nursing facility with Registered Nurse Instructors. Skills will be taught in our state-licensed lab.* Skills include vital signs, moving and turning patients, personal care basics, bed-making, bed, bath and feeding, record keeping and responding to emergencies. Open to students 16 years of age and older. Students must take and pass the State Board examination to become a Certified Nurse Assistant in the state of Massachusetts. The cost of the state exam is not included in the cost of tuition. **Textbook and workbook required:** Call 978-236-1200 for information. Read first four chapters in the textbook prior to the first class. **Prerequisites:** (1) It is strongly recommended that students take the Accuplacer Placement Exam for advising purpose. For testing information or to schedule exam please visit: www.northshore.edu/cas/testing. (2) A CORI check is required. You will be contacted via email from corpofedu@northshore.edu after registering for the course to complete your CORI. (3) Proof of immunizations and a negative TB test is required at the start of class. Proof of a COVID-19 vaccine required. *Lab and clinical portion of the program is subject to change depending on the status of the COVID-19 pandemic.

Phlebotomy and EKG Career Path

The combined Phlebotomy and EKG Technician program provides the necessary skills required to function as a vital member of the clinical laboratory team. Phlebotomists and EKG Technicians are employed throughout the healthcare system including in hospitals, neighborhood health centers, medical group practices, HMO's, public health facilities, veteran hospitals, insurance carriers, and in other healthcare settings. Learn to collect blood specimens from clients for the purpose of laboratory analysis, become familiar with all aspects of blood collection, and the necessary skills needed to perform venipunctures safely. Combined with EKG, the course further covers topics and processes critical to conducting and interpreting electrocardiograms (EKGs) including the anatomy and physiology of the heart, technology used such as the EKG machine, how to interpret a rhythm strip, and details of a myocardial infarction. After completing this program, learners will have the opportunity to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Certified Phlebotomy Technician (CPT), and National Workforce Career Association (NWCA) Certified EKG Technician (CEKG). Learners who successfully complete

this program are eligible to participate in an optional volunteer externship* opportunity with a local company/agency/organization whose work aligns with this area of study in order to gain valuable hands-on experience. Note: Additional documentation including health records, immunizations, drug-screening, criminal background checks, etc. may be required by the clinical/fieldwork facility. Proof of a COVID-19 vaccine required. Includes CPR and optional lab.* Cost includes the required textbook. Exams not included in the cost of the program. **Prerequisites:** High School Diploma or GED. It is strongly recommended that students take the Accuplacer Placement Exam for advising purposes. For exam information or to schedule an exam please visit www.northshore.edu/cas/testing. *Lab and externship portion of the program is subject to change depending on the status of the COVID-19 pandemic.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE
HEA115 F	19549	FEB 1-MAY 5	8:30AM-12:30PM	TUE/THU	LYNN	STAFF	\$2,499

PHLEBOTOMIST (XPH)

QUICK FACTS: Phlebotomists draw blood from people to be analyzed or donated.

Entry Level to Experienced Level Wages	\$33,910–\$50,740
Preparation	High school diploma or equivalent recommended for training, required for certification. Short-term training program.
Certification Opportunities	National Workforce Career Association (NWCA)—Certified Phlebotomy Technician (CPT), National Healthcareer Association (NHA) Phlebotomy Technician Certification (CPT)
10 Year Growth	Massachusetts: 17.2%

– Data from BLS.gov

The phlebotomist is a vital member of the clinical laboratory team, whose main function is to obtain patient's blood specimens by venipuncture and micro-collection for testing purposes. Phlebotomists are employed throughout the healthcare system including in hospitals, neighborhood health centers, medical group practices, HMO's, public health facilities, veteran hospitals, insurance carriers, and in other health care settings. The demand for phlebotomy technicians has increased substantially with the overall complexity of healthcare services and the risks of infectious disease. Current healthcare industry experts predict a 15% increase in phlebotomy jobs by 2024. Learn to collect blood specimens from clients for the purpose of laboratory analysis, become familiar with all aspects of blood collection, and the skills needed to perform venipunctures safely. Topics in this course include medical terminology, related anatomy and physiology, blood collection procedures, and procedures for collection of other types of specimens within the scope of practice of the phlebotomist. After completing this program, learners will have the opportunity to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Certified Phlebotomy Technician (CPT). Learners who successfully complete this program are eligible to participate in an optional volunteer externship* opportunity with a local company/agency/organization whose work aligns with this area of study in order to gain valuable hands-on experience. Note: Additional documentation including health records, immunizations, drug-screening, criminal background checks, etc. may be required by the clinical/externship facility. Includes CPR and optional lab.* Cost includes the required textbook. Exam not included in the cost of the program. **Prerequisite:** High School Diploma or GED. It is strongly recommended that students take the Accuplacer Placement Exam for advising purposes. For testing information or to schedule exam please visit www.northshore.edu/cas/testing. *Lab and externship portion of the program is subject to change depending on the status of the COVID-19 pandemic.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE
HEA103 F	19545	JAN 31-JUN 1	6:00PM-9:00PM	MON/WED	LYNN	STAFF	\$1,899

EKG TECHNICIAN (XET)

QUICK FACTS: EKG technicians use machines and monitors to perform diagnostic cardiac testing on patients.

Entry Level to Experienced Level Wages	\$30,140–\$78,170
Preparation	High school diploma or equivalent required. Short-term training program.
Certification Opportunities	National Workforce Career Association (NWCA)—Certified EKG Technician (CEKG), National Healthcareer Association (NHA) Certified EKG Technician (CET)
10 Year Growth	Massachusetts: 5.4%

– Data from BLS.gov

EKG technicians are in demand and are expected to continue to grow substantially. As an EKG technician you can work in a physician's office, hospital, clinic, healthcare facility, and even an insurance company to provide data for health and life insurance policies. This program covers topics and processes critical to conducting and interpreting electrocardiograms (EKGs) including the anatomy and physiology of the heart, equipment technology, how to interpret a rhythm strip, and details of a myocardial infarction. Course prepares students to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Certified EKG Technician (CEKG). Optional lab* time is available. Cost includes the required textbook. Exam not included in the cost of the program. **Prerequisite:** High School Diploma or GED. It is strongly recommended that students take the Accuplacer Placement Exam for advising purposes. For testing information or to schedule exam please visit www.northshore.edu/cas/testing. *Lab portion of the program is subject to change depending on the status of the COVID-19 pandemic.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE
HEA102 F	19548	APR 26-JUN 23	9:00AM-12:00PM	TUE/THU	DANVERS	STAFF	\$999

CENTRAL STERILE PROCESSING TECHNICIAN (XSP)

QUICK FACTS: CRST's are responsible for decontaminating, inspecting, assembling, disassembling, packaging, and sterilizing reusable surgical instruments or devices in a healthcare facility that are essential for patient safety.

**WIOA
Approved**

Entry Level to Experienced Level Wages	\$38,876–\$62,893
Preparation	High school diploma or equivalent required. Short-term training with moderate on-the-job-training. Certification will increase wage.
Certification Opportunities	Certified Registered Central Service Technician (CRST)
10 Year Growth	Massachusetts: 5.9%

– Data from BLS.gov

Learn to clean and sterilize surgical instruments and medical equipment, and set up and deliver them to surgical areas, hospital rooms, clinics and even patient's homes. Assemble, adjust and check non-sterile equipment, and sterile supplies needed for surgery or other medical procedures. Learn about microbes and germs and how they cause infections, as well as managing inventory, ordering supplies, inspecting, maintaining, delivering and retrieving equipment and instruments for surgery, emergency room and other patient care units. After completing this program, test for the certifying exam given at a local Prometric Testing Center to obtain provisional certification from the International Association of Healthcare Central Service Material Management Association (IAHCSSM). The cost of this exam is not included in cost of this program. Once employed, you must accumulate 400 hours of work experience within six months to become fully certified. Program includes classroom, and experience in a sterile processing department during the clinical* portion of the program. Job requires ability to lift at least 25 pounds. **Prerequisites:** (1) It is strongly recommended that students take the Accuplacer Placement Exam for advising purpose. For testing information or to schedule exam please visit www.northshore.edu/cas/testing. (2) A CORI check is required. You will be contacted via email from corpofedu@northshore.edu after registering for the course to complete your CORI. (3) Proof of immunizations and a negative TB test is required at the start of class. Proof of a COVID-19 vaccine is required. Cost of course includes required textbook. *Clinical experience may be on any day/time of the week, based on clinical site schedules and is scheduled to change depending on the status of the COVID-19 pandemic.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE
HEA104 F	19536	FEB 7-MAY 5	6:00PM-9:00PM	MON/THU	DISTANCE	DECOSTA	\$1,999

DENTAL ASSISTANT (XDA)

QUICK FACTS: Dental assistants perform limited clinical duties under the direction of a dentist. Including equipment preparation, preparing patients for exams, assisting during treatment, and office duties.

**WIOA
Approved**

Entry Level to Experienced Level Wages	\$37,863–\$58,390
Preparation	High school diploma or equivalent required. Short-term training.
Certification Opportunities	National Workforce Career Association (NWCA) Dental Assistant Clinical Certification (DACC)
10 Year Growth	Massachusetts: 6.6%

– Data from BLS.gov

Entry-level positions in dental assisting is one of the fastest growing healthcare fields, with a growing workforce of over 300,000 strong. This program prepares you for entry-level positions as a chair-side dental assistant, familiarizing you with all areas of administrative and clinical dental assisting to function in a dental practice. Learn the history of dentistry, introduction to the dental office, the legal aspects of dentistry, introduction to oral anatomy, dental operatory, introduction to tooth structure (primary and permanent teeth), the oral cavity; and other areas. After course completion, learners will have the opportunity to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Dental Assistant Clinical Certification (DACC). Includes CPR and lab.* After successful completion of this program you are eligible to participate in an optional volunteer externship* opportunity with a local company/agency/organization whose work aligns with this area of study in order to gain valuable hands-on experience. Note: Additional documentation including health records, immunizations, drug-screening, criminal background checks, etc. may be required by the clinical/fieldwork facility. – Data from BLS.gov

Medical interpreters are in great demand both in person and remotely by video or phone. Interpreters can elect to work for a hospital, school, state agency, or as contractors with many agencies throughout the country. They can also elect to work remotely from home where they can work independently and make their own hours. Open to all languages, this 60-hour program provides working knowledge of medical interpreting, including standards of practice, ethics, HIPAA regulations, cultural competency, and medical terminology/vocabulary. Course provides intense practice via oral role plays on a variety of medical topics. You will also be introduced to VRI (Video Remote Interpreting) and OPI (Over the Phone Interpreting). Offered in collaboration with TransFluenci LLC, this course is designed for those preparing for entry-level careers as medical interpreters as well as for working interpreters preparing for the National Board Certification exam. This program meets the National Board for Medical Interpreter Certification training requirement. Upon successful completion of the course, you will receive a certificate of completion from the college and may elect to apply for national certification. Certification fees are not included in the price of the course. **Prerequisites:** High school diploma or equivalent. Students must be fluent in English and one other language. Screening required, call 978-236-1200 to request a screening appointment after registration. **Textbook required:** "What You Need to Know to Become a Medical Interpreter," ISBN: 9780578411910, available at Amazon.com.

HEALTH CARE COURSES IN SPANISH

EKG Technician in Spanish—Online Course

¡Los técnicos de EKG están en demanda! Pueden trabajar en consultorios médicos, hospitales, clínicas y otras instalaciones y organizaciones dedicadas a la atención médica. Los técnicos de EKG también trabajan para compañías de seguros para proporcionar datos para pólizas de seguro de vida y salud. Al igual que otras profesiones sanitarias en crecimiento, se espera que la demanda de técnicos para la toma de electrocardiogramas, continúe creciendo sustancialmente. Para el año 2024 aproximadamente un 25% más de trabajos de técnico de EKG estarán disponibles. Este programa técnico para técnico de EKG, prepara a los alumnos para efectuar la toma de electrocardiogramas (EKG). Este curso incluirá información sobre anatomía y fisiología del corazón, procesos de enfermedades médicas, terminología médica, ética médica, aspectos legales del contacto con el paciente, electrocardiografía y pruebas de estrés. ¡Un curso altamente interactivo! Hay varios exámenes de certificación nacional disponibles para los alumnos que completan con éxito este programa: National Workforce Career Association (NWCA) Certified EKG Technician (CEKG). Los estudiantes que completan este programa son elegibles para participar en una oportunidad de práctica voluntaria opcional con una compañía / agencia / organización local cuyo trabajo se alinea con esta área de estudio para obtener una valiosa experiencia práctica. A medida que los alumnos avanzan en su programa de eLearning, un Coordinador de Externship se comunicará para coordinar la colocación. Se recomienda fuertemente que los estudiantes tomen el Examen de Colocación Accuplacer para fines de asesoramiento. Para obtener información sobre las pruebas o para programar un examen, por favor visita: www.northshore.edu/cas/testing. Para registrarse visita: <https://northshore.edu2.com>.

Phlebotomy Technician in Spanish—Online Course

El flebotomista es un miembro vital del equipo del laboratorio clínico, cuya función principal es obtener muestras de sangre del paciente mediante punción venosa y microcolectión con fines de prueba. Los flebotomistas se emplean en todo el sistema de atención médica, incluidos hospitales, centros de salud del vecindario, consultorios médicos grupales, HMO, centros de salud pública, hospitales veteranos, compañías de seguros y en otros entornos de atención médica. La demanda de técnicos en flebotomía ha aumentado sustancialmente con la complejidad general de los servicios de salud y los riesgos de enfermedades infecciosas. Los expertos actuales de la industria de la salud predicen un aumento del 15% en los trabajos de flebotomía para 2018. El Programa de técnico en flebotomía prepara a los alumnos para recolectar muestras de sangre de los clientes con el fin de realizar análisis de laboratorio. Los alumnos se familiarizarán con todos los aspectos de la recolección de sangre y ejecutarán las habilidades necesarias para realizar las venopunturas de manera segura. También incluye terminología, procedimientos de extracción de sangre, orden de extracción y otros temas interesantes. ¡El programa también incluye una práctica clínica externa opcional en un proveedor de atención médica local! Hay varios exámenes de certificación nacional disponibles para los alumnos que completan con éxito este programa: National Workforce Career Association (NWCA) Certified Phlebotomy Technician (CPT). Los estudiantes que completan este programa son elegibles para participar en una oportunidad de práctica voluntaria opcional con una compañía / agencia / organización local cuyo trabajo se alinea con esta área de estudio para obtener una valiosa experiencia práctica. Medical Office Managers and Administrative Medical Assistants are versatile and valuable members of the healthcare team who can handle a broad range of duties, including patient registration, telephone, scheduling, medical records, accounts receivable, data entry, compliance regulations, human resources, and health information. This in-depth program combines several programs, Medical Terminology, Microsoft Word 2016, Microsoft Excel 2016, Certified Medical Administrative Assistant (CMAA), Certified Electronic Health Records Specialist (CEHRS), and Certified Physician Practice Manager (CPPM), to give you the foundation and training needed to be a Medical Office Manager. In Certified Medical Administrative Assist (CMAA) you will learn how to handle the increasing complexities of healthcare management and patient care in offices of physicians, offices of other providers, clinics, urgent care centers, ambulatory surgery centers, hospital departments and emergency rooms, home health agencies, assisted living facilities, educational institutions and group homes. You will get hands-on practice using real EHR software and learn the benefits these systems provide and understand not only medical terms themselves, but also their application. Certified Physicians Practice Manager (CPPM) will cover the requirements of managing the revenue cycle, compliance regulations, human resources, health information, and general business processes that make practice management a challenging yet rewarding profession. Upon completion of this course, you will be ready to take the Certified Physician Practice Manager (CPPM) exam, offered by the American Academy of Professional Coders (AAPC), the Certified Medical Administrative Assistant (CMAA) and the Certified Electronic Health Records Specialist (CEHRS) national certification exams offered by the National Healthcareer Association (NHA). You will receive study guide materials, practice exams, AAPC membership, access to the Practicecode tool, and a voucher for each exam. Online classes can be started anytime throughout the semester! Requirements: This course must be taken on a PC device. A Mac OS is not compatible. To register <https://careertraining.ed2go.com/northshorecc/search-results/?term=GES152>.

Approved**QUICK FACTS:** Recovery coaches work with persons with active addictions as well as persons already in recovery.

Entry Level to Experienced Level Wages	\$31,380–\$61,760
Preparation	High school diploma or equivalent recommended. Short-term training.
Certification Opportunities	Certified Addiction Recovery Coach (CARC)
10 Year Growth	Massachusetts: 11.0%

– Data from BLS.gov

Recovery Coach Training: Part I

The gold standard for Recovery Coach Training fulfills 30 of the 60 educational hours required to become a Massachusetts Certified Addiction Recovery Coach. Recovery Coaches play a vital role in the community; they serve as guides and mentors to individuals with drug and alcohol problems, and empower people on their personal journey by providing many options and “paths” to recovery. Training participants will receive tools and resources designed to help people heal from the devastating effects of addiction, whether they are just entering recovery or looking to deepen and sustain their recovery. For individuals considering a career as a recovery coach or peer mentor, or individuals who simply want to learn more effective methods for supporting people through their recovery process. Taught by Michelle Simons who brings a professional and life experience to her work with individuals, families and organizations. **Textbook required:** CCAR'S ISBN: 9798675419241, available on Amazon.

Recovery Coach Training: Part II

Recovery Coach Academy fulfills 30 of the 60 educational hours required to become a Massachusetts Certified Addiction Recovery Coach. Designed to provide those seeking to work as Recovery Coaches with a thorough overview of addiction science, the various substances of misuse and their effects, and how addiction impacts mental health, physical health, and overall wellness. Stages of change related to recovery are examined, along with Motivational Interviewing, an evidence-based intervention used to promote recovery goal attainment. The course utilizes case studies and experiential exercises that will strengthen the students' cultural awareness and responsiveness to differences. A great deal of time is spent examining the accepted ethical standards for coaches-how best to navigate boundaries and “stay in the lane” of a Recovery Coach. There are no prerequisites for attending this class; all are welcome. Training participants will receive knowledge and resources designed to help people heal from addiction, whether they are just entering recovery or looking to deepen and sustain their recovery. Topics covered required by the state of Massachusetts for the CARC certification are: Addiction 101, Mental Health, Motivational Interviewing, Cultural Competencies and Ethical Responsibilities. Course materials are included in the cost of the class.

Recovery Coach Training: Part II, Days 1 and 2: Addiction Education

For individuals interested in learning more about addiction. This course provides a thorough overview of addiction science, the various substances of misuse and their effects, and how addiction impacts mental health, physical health, and overall wellness. Stages of change as relates to recovery are examined, along with Motivational Interviewing, an evidence-based method used to help people get “unstuck” from problem behaviors. Also included are case examples to illustrate how culture plays a role in helping relationships, and how best to remain sensitive to individual differences. Fulfills the 14 hours of required training on Addiction 101, Mental Health, Motivational Interviewing, and Cultural Competency for those pursuing certification as a Massachusetts Addiction Recovery Coach.

CompTIA Certification Training: A+, Security+, and Network+ with Exam Vouchers—Online Course

Careers in Information Technology are steadily growing, and what better way to train for a new career than to prepare for three respected certifications in one convenient online program? Build on your foundational knowledge needed for employment in cutting-edge IT roles. You will study a range of related disciplines, including building and managing a data network, troubleshooting networking issues, routing and switching, risk assessment, and data recovery. To gain further understanding, you will be able to practice the concepts being taught, using interactive virtual software. Possible careers include Tech Support, IT Specialist, Network Administrator, Network Installer, and Security Consultant. Upon successful completion you will receive exam vouchers for CompTIA A+ Exams 220-1001, 220-1002, CompTIA Network+ Exam N10-007 and CompTIA Security+ Exam SY0-501 at no additional cost. To register visit <https://careertraining.ed2go.com/northshorecc/search-results/?term=GES327>.

REMOTE INTERPRETING

Remote Interpreting (Video and Phone)—Remote Learning Course

Calling Interpreters of all Languages! If you speak a second language, you can work from home and make your own hours. There is a tremendous amount of work available for Remote Interpreters—both phone and video—throughout the country. Offered in partnership with TransFluenciEDU, this 30-hour class meets twice a week for 5 weeks. Students will learn the ins and outs of remote interpreting which includes both video and over the phone (VRI and OPI). Students will learn how to set up their offices and computers to accept assignments from a number of companies who are actively searching for interpreters of all languages. The class will cover Medical and Legal Standards of Practice, ethics, HIPAA and intense practice sessions and simulations using a variety of platforms on a wide variety of topics, such as Medical Encounters, Depositions, Unemployment Hearings, Educational Hearings and Meetings such as IEP Meetings, and Due Process Hearings. In addition to intense classroom simulated practice, our instructor will provide advice on best practices, how to apply for assignments, and what to expect as compensation. **Prerequisite:** Students must provide a Certificate of Completion for a minimum of 40 hours of interpreter

training or a letter from your employer confirming a minimum of 2 years' experience in providing interpretation in any setting. Students must possess a high school diploma or equivalent. Please register early as a brief telephone interview will be required before acceptance into the course. Please call 978236-1200 to set up your interview.

HTML and CSS Series—Online Course

Looking to survive and excel in the fast-paced world of web publishing? Then you're going to need to keep up with ever-evolving web standard by learning the new standards for CSS3 and HTML5. Almost every web development tool, including Dreamweaver, Microsoft Expressions Web, and Visual Web Developer, offer support for CSS3 and HTML5. These powerful languages make it easier for you to build and manage large websites, and allow more precise control over the appearance of every page you build. Course includes creating state-of-the-art websites using modern CSS3 and HTML5 techniques. Gain the foundation you'll need to master two critical and fast-growing new web languages. Begin your transition to CSS3 and HTML5 today! To register visit: www.ed2go.com/nscc/online-courses/learn-html5.

ENGLISH AS A SECOND LANGUAGE

NSCC'S English as a Second Language program aims to provide non-native speakers of English with skills necessary for their personal, professional, and academic advancement. Using both traditional and communicative teaching methods and providing a supportive environment, the ESL program assists students as they work towards the level of linguistic competence necessary for their participation in the local and global community. We are committed to respecting individual cultural and linguistic diversity at North Shore Community College.

Ready to take the next step in advancing your English language skills? Please see the following chart. To register call 978-236-1200.

¿Tiene alguna pregunta? Si no está seguro por dónde empezar y desea más información, llame al 978-762-4067 o comuníquese por email a: onramp@northshore.edu.

STEP 1: CONTACT

- Student calls the ESL hotline (978-762-4067) or emails onramp@northshore.edu
- Student receives response from Elizabeth Paz with next steps
- Student receives:
 - ESL onboarding video (credit vs. noncredit)
 - ESL screening questions

OR

STEP 2: CREDIT ESL

- Credit student directed to admissions to complete application

STEP 2: NONCREDIT ESL

- Noncredit student directed to Corporate and Professional Ed (978-236-1200)

STEP 3: CAS TESTING

- Elizabeth Paz and Chris Bednar assist students in scheduling remote testing (if needed)

STEP 4: POST-TESTING ADVISING/REGISTRATION

- Elizabeth Paz and Chris Bednar refer students to:
 - EOC/SFS

Coming Soon: New Online Learning Career Support for ESL Learners

We are also pleased to introduce a new online learning initiative to help you improve your English language skills from home while learning vocabulary to help move your career forward. These online career-oriented classes will be offered to a limited number of our NSCC students who are registered for our eligible noncredit programs in health care, IT, manufacturing and more. There are a limited number of seats available.

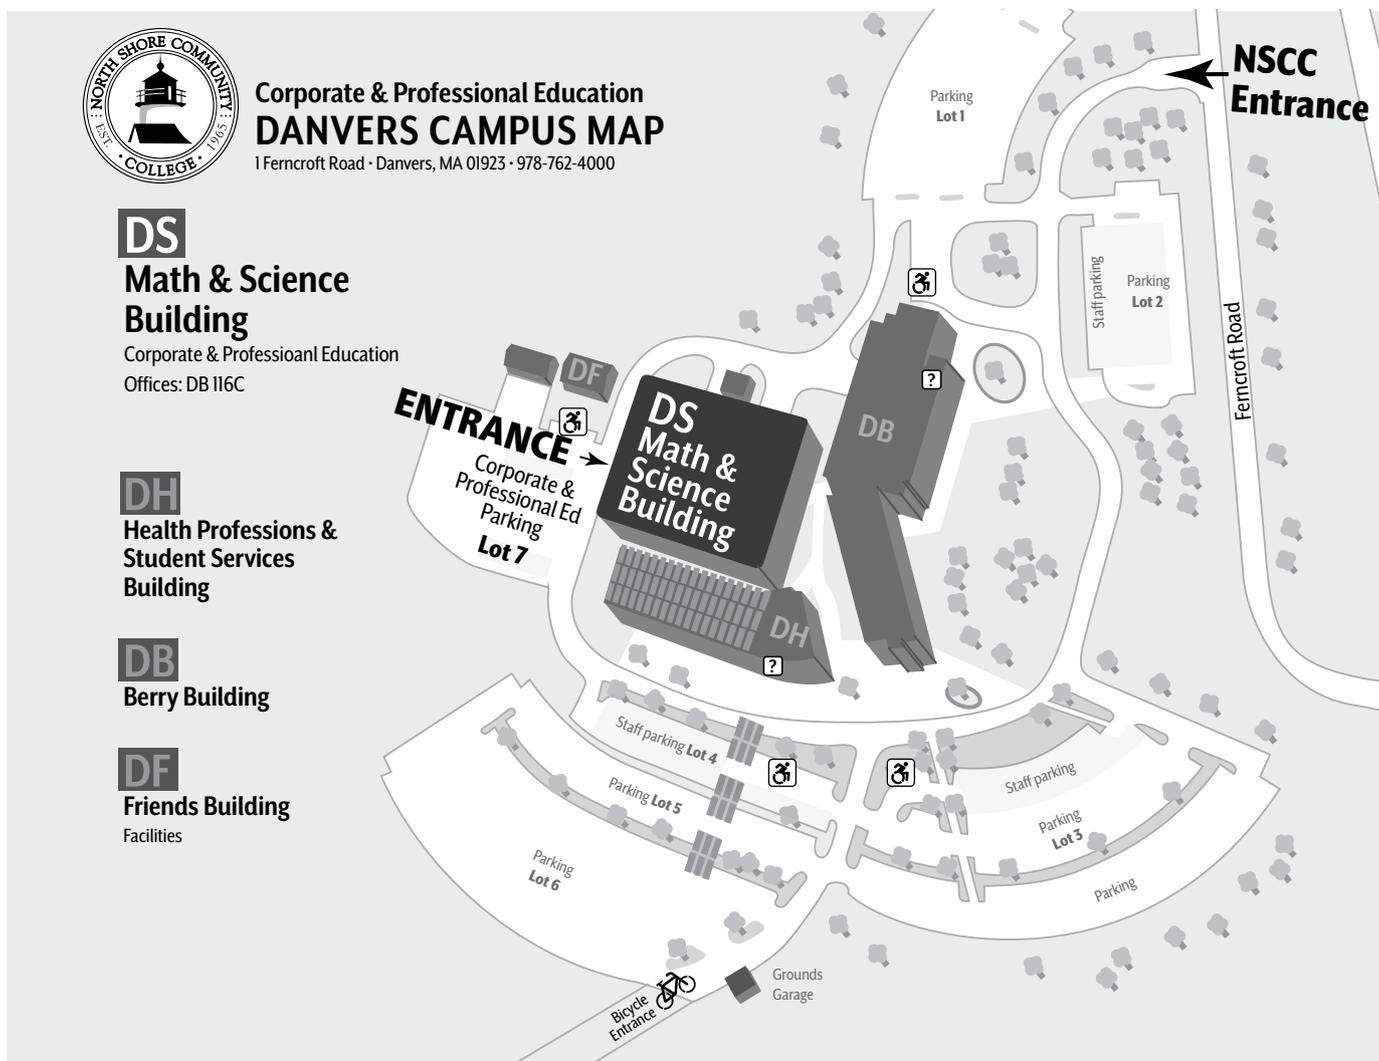

**To find out how you may be accepted to this new learning program
and to get on our waiting list, contact: sryan@northshore.edu.**

GENERAL INFORMATION

CAMPUS LOCATIONS

DS
Math & Science Building

Corporate & Professional Education
Offices: DB 116C

DH
Health Professions & Student Services Building

DB
Berry Building

DF
Friends Building
Facilities

DANVERS. The Danvers Campus at 1 Ferncroft Road is located off Route 1 and houses administrative offices, a Health Professions and Science Building, and Frederick E. Berry Building, a new state-of-the-art academic building and Learning Resource Center.

From the south to Ferncroft Road, Danvers. Route 1 North to Danvers or Route 95 North to Danvers, Exit 50. From either route follow signs for NSCC onto Route 1 South. Take right onto Ferncroft Road. NSCC Campus first left.

From the north to Ferncroft Road, Danvers. Route 95 south to Danvers, Exit 50, Route 1 South. Right onto Ferncroft Road. NSCC Campus first left.

From Route 128 South. Take Route 62 West toward Middleton. Take Route 1 North—passing the Route 95 exit—to Route 1 South (you will essentially be making a U-turn from Route 1 North to South). Take the first right onto Ferncroft Road. NSCC is on your left.

LYNN. The Lynn Campus located at 300 Broad Street, adjacent to the Lynnway, includes science and technology laboratories and a library. The College also houses Community Education courses, classrooms, offices and the Campus Police Office at the MBTA station across from the Lynn Campus on the corner of Broad and Market Streets.

From south on Route 1A to Lynn Campus, 300 Broad Street. Route 1A from Callahan Tunnel onto the Lynnway. Follow signs for Route 1A/Downtown Lynn. At second light take right onto Broad Street. Campus immediately on right. To park: right onto Washington Street. Parking lot is on right, behind campus building.

From north/south to Lynn Campus, 300 Broad Street. Route 128 to Route 1 South. From Route 1 South, take Route 129 East. Follow Route 129 past Atlanticare Medical Center to traffic lights at intersection of Boston Street (pond on your left). Continue straight onto Chestnut Street (Route 129A) and follow to end (intersection of Lewis and Broad Streets). Right onto Broad Street. Pass through five sets of lights, campus (McGee Building) on left. To park: before campus, take left from Broad Street onto Washington Street. Parking lot is on right behind campus building.

PARKING. Parking permits are available from the Campus Police Officer on duty at the Lynn and Danvers campuses. Free parking for students is provided within the white lined spaces.

OFF CAMPUS. Call 978-236-1200 for locations and directions.

POLICIES

Affirmative Action/Equal Opportunity

North Shore Community College is an affirmative action/equal opportunity employer and does not discriminate on basis of race, creed, religion, color, gender, sexual orientation, age, disability, genetic information, maternity leave, and national origin in its education programs or employment pursuant to Massachusetts General Laws, Chapter 151B and 151C, Title VI, Civil Rights Act of 1964; Title IX, Education Amendments of 1972; Section 504, Rehabilitation Act of 1973; Americans with Disabilities Act, and regulations promulgated thereunder, 34 C.F.R. Part 100 (Title VI), Part 106 (Title IX), and Part 104 (Section 504). All inquiries concerning application of the above should be directed to the College's Affirmative Action Officer and/or the College's Coordinator of Title IX and Section 504. A complete copy of the Affirmative Action Policy is available in the Library, in the Human Resources Office, and on the college website.

Accessibility Services

Accessibility Services works one-on-one with students to set up reasonable academic accommodations and services for students in credit and noncredit courses. We assist with the implementation of accommodations and provide guidance to students with disabilities. We also serve as a resource to faculty and staff and promote disability awareness throughout our community. Students with documented disabilities who anticipate the need for accommodations are encouraged to visit www.northshore.edu/accessibility and follow the outlined procedure to request accommodations at least four to six weeks before the start of classes. For more information, please visit our website or call: Danvers Campus: 978-762-4000 x4501 or the Lynn Campus: 781-593-6722 x2134.

Alcohol and Drug Policy

The use of alcohol in any form and the illegal use of drugs at any College-sponsored activity is strictly forbidden, regardless of location. Violators will be subject to disciplinary action by the appropriate governing body.

Drug Free Schools and Campuses

North Shore Community College is committed to maintaining a drug-free workplace in accordance with the requirements of the U.S. Drug-Free Workplace Act of 1988, Appendix C to 45 C.F.R, part 620, Subpart F-Certification regarding Drug-Free Workplace Requirements, and the Drug-Free Schools and Communities Act of 1989. For further information, contact Director of Human Resource Development: 978-762-4000 x5470 or 781-593-6722 x5470.

Community Notification of Where to Access Sex Offender Information

In accordance with federal law, the College is required to advise the campus community where information concerning registered sex offenders may be obtained. Information concerning Level 2 and Level 3 offenders is available to the general public by contacting the Commonwealth of Massachusetts Sex Offender Registry Board, located at P.O. Box 4547, Salem, MA 01970-4547, 978-740-6400, or the following Police Departments:

- Lynn Police Department: 300 Washington Street, Lynn, MA 01901
- Danvers Police Department: 120 Ash Street, Danvers, MA 01923

Level 3 offender information is also available online at www.mass.gov/sorb.

If you have any questions regarding access to sex offender information, please feel free to contact the Colleges Chief of Police, Douglas P. Puska at 781-593-7032.

Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act

North Shore Community College is committed to assisting all the members of the college community in providing for their own safety and security. The annual security compliance document is available on the North Shore Community College website at www.northshore.edu/safety/police. If you would like to receive a booklet called the Jeanne Clery Disclosure of Campus Security Policy & Crime Statistics Act, which contains this information, you can stop by the Campus Police Desk at our Lynn Campus or you can request a copy be mailed to you by calling 978-762-4090. The website contains information on campus security and personal safety, including crime prevention, college police law-enforcement authority, crime reporting policies, disciplinary procedures, and other important matters about security on campus. It also contains statistics for the three previous calendar years on reported crimes that occurred on campus and certain off-campus buildings or property owned or controlled by North Shore Community College, and on public property within or immediately adjacent to and accessible from the campus. This information is required by law and provided by the Campus Police Department.

Computer Use Policy

Computers at North Shore Community College are made available to students, faculty, staff, and when appropriate, to the community at large. Use is devoted exclusively to educational purposes, including scholarly and institutional communication, information gathering, and computing instruction. It is understood that all users agree to abide by the following rules and regulations as presented in the Information Technology Resources Usage Policy here www.northshore.edu/legal/computer_use.html.

Winter/Spring 2022 Store Hours, Danvers and Lynn

December 13-17	M-F	9:00AM – 4:00PM	December 27-30	M-TH	9:00AM – 3:00PM	January 10-14	M-F	9:00AM – 5:00PM
December 20-23	M-TH	9:00AM – 3:00PM	December 31	F	9:00AM – 1:00PM	January 18-21	T-F	9:00AM – 5:00PM
December 24	F	9:00AM – 1:00PM	January 3-7	M-F	9:00AM – 4:00PM	January 24-28	M-F	9:00AM – 5:00PM

All other Winter/Spring 2022 non-Holiday days are 9:00AM to 4:00PM (subject to change)

Important Bookstore information

Lynn Bookstore will be taking students from their side door that opens to the outside on the side of the building (on the side where the green house is). Students will receive a confirmation email once they place their online order that states that they have to wait until their order is fulfilled and a bookstore employee calls them to set up a time and day to come pick up their order. Once a time and day has been set up they can come at that time to the school and park in the small parking lot on broad street, then call the store at 781-477-2127 to state they have arrived and tell us their name and order number, then come to the side door with their i.d. so we can confirm their information and hand them their order. Signs are posted, so students will know how to get from the parking lot to the side door.

Danvers Bookstore. Students will be able to pick up their books outside of the back of math and science building (near door 4) and signs are posted around the campus indicating where the book pick-up is located. Their online orders will have the same process as Lynn in that the confirmation email that is sent after a student places an online order. In the email it tells them that they must wait until a bookstore employee calls them to set a time and day for them to pick up their order. Once a time and day are set up they can come at that time and pick up their books and supplies. When they arrive at the pick-up location, there is a sign including our phone number, indicating they need to call and let us know they're here. When they call, an employee will meet them at their vehicle, and hand them their order.

WINTER/SPRING 2022 HOLIDAY SCHEDULE

The following is a list of holidays/breaks when the college is closed:

January 1: New Year's Day ■ January 17: Martin Luther King Day ■ February 21: President's Day

March 14-March 18: Spring Recess, day and evening classes ■ April 18: Patriots' Day ■ May 30: Memorial Day

For additional academic calendar information, please go to www.northshore.edu/calendar

Registration Information

Register with ease at northshore.coursestorm.com

Policies

Information Subject to Change. The college reserves the right to add or delete courses and programs or to revise tuition, fees, and insurance requirements to allow for unforeseen developments. The college cannot guarantee that the instructor whose name is printed by the course will teach that course.

Nonpayment. Failure to pay your account balance in full on or before the first day of the class may result in your losing your seat in the class. If you have a third party sponsor they must provide a valid billing authorization or purchase order on or before the first day of the class. NSCC reserves the right to charge you a \$50 late fee for any past due account balances.

Course Cancellation. Individual courses may be cancelled due to insufficient enrollment. Noncredit courses are generally cancelled one week prior to start date. NSCC makes every effort to notify students by phone and/or email as soon as the decision is made. If the college is unable to reschedule a cancelled course or the student is unable to attend the rescheduled course date, the student will receive a full refund.

Course Refund. Students registered for Professional Education (noncredit) workshops and courses must withdraw in writing by email to professional@northshore.edu at least three days prior to the first session in order to receive a full refund of tuition, less a 6% processing fee. All other charges are nonrefundable. All remaining amounts paid to North Shore Community College will be refunded directly to the student or to the credit card that was used to pay for the course(s). After the three-day withdrawal period, no refunds will be given.

Third Party Billing. If for any reason a student's sponsor (or whomever is paying for the course) refuses payment, the student is responsible for full payment.

Tuition Waivers. Students with approved tuition waivers, tuition remission, or tuition vouchers may register at any time by calling 978-236-1200. Tuition waivers, tuition remission, or tuition vouchers do not apply to special programs, seminars, or online courses. To verify

whether a course is eligible for a waiver or voucher call 978-236-1200. In the event that the class is cancelled, the individual has the option to resubmit for the next scheduled class. Individuals with tuition waivers will be responsible for the cost of all materials and/or books even when materials are included in tuition.

Walk-in Registration. A COVID-19 vaccination is required for students attending in-person classes for Winter/Spring 2022 and for anyone coming to campus for in-person services. Call 978-236-1200 or email professional@northshore.edu for assistance.

Danvers Campus:

- Admissions, Student Financial Services, Enrollment, Advising: 978-762-4074
- Testing Center: 978-739-5429
- Textbook Pick-Up at Bookstore: 978-762-4046

Lynn Campus:

- Admissions, Student Financial Services, Enrollment, Advising: 781-477-2188
- Placement Testing: 781-593-6722 x6695
- Textbook Pick-Up at Bookstore: 781-477-2127

COVID-19:

- A COVID-19 vaccination is required for students attending in-person classes and for anyone coming to campus for in-person services during the Winter/Spring 2022 semester. Students must show proof of vaccination before they will be able to register for in-person courses or come to our campuses for in-person services during the Winter/Spring 2022 semester. Students who are ready to comply with this mandate can submit proof they are fully vaccinated right now: <https://bit.ly/3EjBCRm>. This link will only work if you are currently signed into your NSCC Gmail account.
- NSCC will continue to offer courses for the Winter/Spring 2022 semester in online and video-conference formats. Students can register for these courses without proof of their COVID-19 vaccination status.

Students must pay in full, for each course, at the time of registration.

We're Back!

We will continue to offer classes:

Online: Self-paced classes that flex with your schedule. This structure allows you to plan study time around your day, and balance work and family commitments with your schedule.

Live Remote: Train with your favorite NSCC instructors using Blackboard, Zoom, Google Classroom and other platforms. Courses meet at scheduled times.

Hybrid: A combination of live remote, self-paced course work and if required lab time. *Note: Lab and clinical portion of programs is subject to change depending on the status of the COVID-19 pandemic.*

Many of our classes are coming back to campus. Review the schedule carefully to see how your class is being offered.

Tips for taking an online course:

Schedule times several days a week to work on the course just like a face-to-face class.

Read the information. The directions for completing assignments are written in the course!

Do your own work! Plagiarism is not acceptable and could make you fail the course.

Communicate with your teacher on a weekly basis via email or by phone.

Ask questions. Let your teacher know when you don't understand something.

Stay Organized. Save all the files for the course in the same folder.

Use a calendar to schedule reminders for assignment due dates.

Complete your assignments on time, doing your best work.

Check your email every day.

Make a copy of your answers for EVERYTHING you turn in except for online tests and quizzes.

Corporate Training SOLUTIONS

Train your people. Transform your company.

Train Your People. Transform Your Company.

Did you know that Corporate Training Solutions at North Shore Community College works with businesses to provide group training for their employees?

Corporate Training Solutions (CTS) at NSCC has served hundreds of businesses on the North Shore for over 30 years by providing customized programs that specifically focus on today's business challenges. Our group training programs are delivered by expert facilitators who understand the importance of updating the skills of the workforce. Our team will work with you to make sure the content of the programs matches your specific learning objectives and provides real time skills-based learning. The benefit of group training provides an opportunity for colleague collaboration and teamwork, making it a much richer learning experience.

Let us work with you to design a high quality, interactive, customized program for your team!

Did you know you could receive grant funding to train your employees?

The Workforce Training Fund will reimburse you for up to 100% of training costs for businesses with under 100 employees, and up to 50% for larger businesses.

To learn about the program guidelines and how to apply for each of the Workforce Training Fund grant programs, attend the virtual WTFP Information Session on **Tuesday, January 11, 2022, at 10:00 AM**, hosted by NSCC: <https://bit.ly/3pCyyvC>

Funding exists for Corporate Training Solutions programs such as:

- Essential Skills for Supervisors Program—to be offered virtually in the winter, spring and fall of 2022!
- Stress Management ■ Computer Basics ■ Leadership ■ ESL

To learn more about our customized group contract training programs, contact Lorin Buksa today at 978-236-1206 or email lbuksa@northshore.edu.
