Corporate & Professional
EDUCATION
northshore.edu/professional • 978-236-1200

Corporate and Professional Education offers short term career training, pathways to Associate Degrees, and a variety of courses to add or advance the professional skills you already have. Types of courses range from Healthcare to Information Technology, Business, Landscaping, and many more.

Train at **YOUR** convenience!

Train with your favorite NSCC instructors

In the classroom or live remote learning using Blackboard, Zoom, Google Classroom and other platforms. Interact with your instructors and classmates as you continue your certificate program or try a new course.

Live, online, and hybrid courses

A combination of real-time instruction and self-paced coursework. This course structure allows you to build bonds with instructors and classmates, ask questions and receive answers in real time or within an anticipated schedule.

Self-paced

Classes that flex with your schedule, but still provide assistance when needed. This course structure allows you to plan study time around your day, and balance work and family commitments with your schedule.

Many of our courses will be on-site at either our Danvers or Lynn campus. Others are available online. We will continue to offer “live remote” and “online” classes with your favorite instructors, and new instructors. Our educational partners—ProTrain, ed2go, Cengage, and Condensed Curriculum International—have expand and revise their digital learning curriculum just for you.

We like the personal touch! Please call us at 978-236-1200 or email us at professional@northshore.edu weekdays between 8:00 am and 5:00 pm to get your questions answered. We engage with our students all year long.

We frequently add **NEW COURSES!**

Credit for Prior & Experiential Learning

Your life experience is valuable. Now you can apply that know-how towards earning your certificate or college degree on campus or online. With Credit for Prior Learning (CPL), we can potentially reward the knowledge you've gained over the years by translating those learning experiences into college-level coursework. Save money and complete your degree faster by demonstrating what you already know through workplace experience and training, military service, professional certifications, or your volunteer service.

<https://myexperiencecounts.mass.edu/home>

At the Center for Alternative Studies and Educational Testing (CAS) you may be able to receive college credit through Prior Learning Assessment and Experiential Learning that takes place via volunteering, employment, seminars, and workshops, completion of non-credit courses, military training, or cultural experiences.

Visit www.northshore.edu/cas/credit/evaluation-credit.html for more information.

DID YOU KNOW...

Each of our classes has a minimum enrollment!

If you find that perfect class that you just have to take, encourage a friend to join you! Sometimes one or two students make the difference between a class running, or a class cancelling. Many of our classes fill up fast, so enroll early to ensure your spot in that perfect class!

Our Refund Policy

Students registered for Professional Education (non-credit) workshops and courses must withdraw in writing by email to professional@northshore.edu at least three days prior to the first session in order to receive a full refund of tuition, less a 6% processing fee. All other charges are nonrefundable. All remaining amounts paid to North Shore Community College will be refunded directly to the student or to the credit card that was used to pay for the course(s). After the three-day withdrawal period, no refunds will be given.

Register today! We've made it easy for you at

Who is MassHire and Why Should I care?

MassHire is the brand name for the Massachusetts Workforce System. The North Shore Career Center and North Shore Workforce Board are your local MassHire connections to job listings, labor market information and information about skills training opportunities here on the North Shore. MassHire-North Shore Career Center and MassHire-North Shore Workforce

Board envisions a better future for area job seekers and businesses in this region through helping residents find great jobs with sustainable career pathways.

Do you need help with a job search or would you like to learn about new career training options? The staff from the MassHire-North Shore Career Centers are working remotely throughout the COVID-19 period. During this time staff remain prepared to help companies and individuals get all available services in the simplest and most efficient manner. Staff is prepared to help our customers explore career pathways in local priority industries, the skills needed in these industries, and where to find the training to get the jobs. Assistance from MassHire-North Shore Career Center is only a phone call away at 978-825-7200 or at our website <https://masshire-nscareers.org>.

Do you have to be unemployed to use the Career Centers? No. The career center services are available to everyone. As a matter of fact, many of our customers are currently students or employed but use our services to explore their new career options.

Am you eligible for re-training dollars? Training is a great way to close skills gaps in your work experience and help customers to become more competitive for current job openings. The staff of the MassHire-North Shore Career Center can help determine if residents qualify for specialized skills training funds or other grant funded training programs. Training funds may be available to you if you are receiving unemployment benefits, are on certain public assistance programs, or are basic skills deficient. The Workforce Investment Opportunity Act (WIOA), and the Federal/State Financial Aid (Pell Grants, Scholarships and Stafford Loans). is designed to provide access to and opportunities for the employment, education, training, and support services you need to succeed in the labor market.

As a business owner, what services can you receive from the Career Center? Area businesses may list company job openings, get assistance with pre-screening job applicants, obtain information about the local labor market, assistance with basic worker recruitment or information related to participating in a job fair.

North Shore Community College offers many certificate and certification training programs that may qualify for funding. For more information visit www.masshire-nscareers.org or call 978-825-7200.

Coming Fall 2023!

Essential Skills for Leaders

Remote and In-Person Learning is Happening at the NSCC Adult Learning Center (ALC)!

Unique Opportunities for Education, Career Exploration, and IT Workplace Training at No Financial Cost to Students

Need your high school diploma? At least 16 years old?

With a combination of face-to-face and online remote learning, the ALC's High School Equivalency Test (HiSET) preparation classes integrate academics and college and career readiness in the classroom, supported with advising to assist with next steps after graduation. You must be able to commit to twelve hours per week for instruction and outside classwork. All face-to-face classes are held on the Danvers Campus. There is an opportunity for every starting point:

- Class 3: at least ninth grade skills in reading and math
- Class 2: at least fifth to eighth grade skills in reading and math
- Class 1: at least second to fifth grade skills in reading and math

To learn more or complete the online interest form, go to www.northshore.edu/adult_learning.
Contact Erin O'Brien at 978-236-1226 or eobrien08@northshore.edu to begin the enrollment process.

Cannot attend classes in person at all?

The Adult Learning Center also offers an online Distance Learning option to help students study for their HiSET from their own homes. Students must be able to:

- Commit to 5 hours of Distance Learning work per week
- Attend an orientation session
- Participate in periodic face-to-face meetings
- Conduct ongoing email communication with instructors

To find out more, email Distance Learning Coach Zoe Fogarty at zfogarty01@northshore.edu.

**Get into the Tech Industry! Earning IT industry certification
will give you the skills needed to advance in your career or
discover a new one.**

Don't miss this life-changing opportunity for students with OR without a high school diploma!

The median level wages for these jobs range from \$41,940 to \$60,090.

An innovative and individualized 20-week education and training program is offered at the Adult Learning Center twice per year. You will learn CyberSafe, CompTIA IT Fundamentals, Service Desk and Support Analyst, Elements of Coding, Microsoft Office and Google Docs, and more! In addition to the IT classes, students will study for their HiSET if needed, strengthen academic skills, develop a professional resume, and discuss workplace skills in the 21st Century.

Interested? Ready to take the next step in your life?

Contact the Program Coordinator Stephanie Moriarty at smoriart01@northshore.edu.

HEALTHCARE OCCUPATIONS

Workers in these occupations help clients maintain and improve wellbeing. Overall employment in healthcare occupations is projected to grow 13 percent from 2021 to 2031, much faster than the average for all occupations.

This increase is expected to result in about 2 million new jobs over the decade. In addition to new jobs from growth, opportunities arise from the need to replace workers who leave their occupations permanently. About 1.9 million openings each year, on average, are projected to come from growth and replacement needs.

— US BLS OCCUPATIONAL HANDBOOK, SEPTEMBER 2022

NURSE ASSISTANT PLUS: NURSE ASSISTANT, PHLEBOTOMY & EKG

Demand for this occupation continues to grow! Enhance your skills and employment opportunities when you combine these three certifications. See schedules below for class information.

NURSE ASSISTANT/HOME HEALTH AIDE (XCN)

QUICK FACTS: Nursing Assistants give personal care to patient in hospitals and nursing homes. They work under the direction of nurses and doctors. Home health aides care for recovering patients, the elderly, or people with disabilities in their own homes.

Entry Level to Experienced Level Wages	\$30,350–\$47,710
Preparation	High school diploma or equivalent recommended. Be at least 16 years old. Short-term training program, and pass the Massachusetts state licensing exam.
Certification Opportunities	Nurse Assistants must be Certified in the state of Massachusetts.
Massachusetts Outlook	Demand is very strong for this occupation. Many Nurse Assistants continue their education into other health careers.

— BLS, CAREER ONESTOP.ORG

Nurse Assistant/Home Health Aide

Nurse Assistant training prepares you for an entry-level career in healthcare while preparing you for the Massachusetts State Board exam to become certified Nurse Assistant. Course also includes certifications in Home Health Aide, CPR, and CMS Hand in Hand Dementia Training, and a clinical experience in a local long-term care facility with Registered Nurse Instructors. Skills are taught in our state-licensed lab and includes vital signs, moving and turning patients, personal care basics, bed-making, bed, bath and feeding, record keeping and responding to emergencies. Open to students 16 years of age and older. Students must take and pass the State Board examination to become a Certified Nurse Assistant in the state of Massachusetts. The cost of the state exam is not included in the cost of tuition. **Textbook and workbook required:** Call 978-236-1200 for information. Read first four chapters in the textbook prior to the first class.

PLEASE SEE HEALTHCARE COURSE REQUIREMENTS ON PAGE 7 BEFORE REGISTERING.

Phlebotomy and EKG Technician

The combined Phlebotomy and EKG Technician program provides the necessary skills required to function as a vital member of the clinical laboratory team. Learn to collect blood specimens from clients for the purpose of laboratory analysis, become familiar with all aspects of blood collection, and the necessary skills needed to perform venipunctures safely. Combined with EKG, the course further covers topics and processes critical to conducting and interpreting electrocardiograms (EKGs) including the anatomy and physiology of the heart, technology used such as the EKG machine, how to interpret a rhythm strip, and details of a myocardial infarction. Students who successfully complete this program are eligible to participate in an optional volunteer externship opportunity with a local company/agency/organization in order to gain valuable hands-on experience. Courses prepares students to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Certified Phlebotomy Technician (CPT), and National Workforce Career Association (NWCA) Certified EKG Technician (CEKG). Course includes CPR and required textbooks. Exam(s) not included in the cost of the program. **Prerequisite:** High School diploma or equivalent. **PLEASE SEE HEALTHCARE COURSE REQUIREMENTS ON PAGE 7 BEFORE REGISTERING.**

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE
HEA115 F	99910	OCT 23-JAN 31	9:00AM-1:00PM	MON/WED	LYNN	STAFF	\$2,499

PHLEBOTOMIST (XPH)

QUICK FACTS: Phlebotomists draw blood from people to be analyzed or donated.WIOA
Approved

Entry Level to Experienced Level Wages	\$37,480–\$59,110
Preparation	High school diploma or equivalent recommended for training, required for certification. Short-term training program.
Certification Opportunities	National Workforce Career Association (NWCA) – Certified Phlebotomy Technician (CPT), National Healthcareer Association (NHA) Phlebotomy Technician Certification (CPT)
Massachusetts Outlook	Demand will grow as hospitals and blood donor centers need more phlebotomists to perform blood collection. Doctors will continue to use lab procedures, such as blood analysis, to diagnose and treat diseases.

— BLS, CAREER ONESTOP.ORG

Phlebotomy

The phlebotomist is a vital member of the clinical laboratory team, whose main function is to obtain patient blood specimens by venipuncture and micro-collection for testing purposes. Learn to collect blood specimens from clients, become familiar with all aspects of blood collection, and the skills needed to perform venipunctures safely. Topics in this course include medical terminology, related anatomy and physiology, blood collection procedures, and procedures for collection of other types of specimens within the scope of practice of the phlebotomist. Students who successfully complete this program are eligible to participate in an optional volunteer externship opportunity with a local company/agency/organization in order to gain valuable hands-on experience. Course prepares students to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Certified Phlebotomy Technician (CPT). Course includes CPR and required textbook. Exam not included in the cost of the program. **Prerequisite:** High School diploma or equivalent. **PLEASE SEE HEALTHCARE COURSE REQUIREMENTS ON PAGE 7 BEFORE REGISTERING.**

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE
HEA103 F	98571	SEP 26-DEC 19	9:00AM-1:00PM	TUE/THU	LYNN	STAFF	\$1,899

EKG TECHNICIAN (XET)

QUICK FACTS: EKG technicians use machines and monitors to perform diagnostic cardiac testing on patients.WIOA
Approved

Entry Level to Experienced Level Wages	\$37,720–\$79,580
Preparation	High school diploma or equivalent required. Short-term training program.
Certification Opportunities	National Workforce Career Association (NWCA) – Certified EKG Technician (CEKG), National Healthcareer Association (NHA) Certified EKG Technician (CET)
Massachusetts Outlook	Job growth will be very strong in this occupation. This is due to developments in technology that allow non-invasive treatments for cardiac problems. The strongest job growth will occur in health clinics because more procedures are done outside hospitals.

— BLS, CAREER ONESTOP.ORG

EKG Technician

Learn the critical processes to conducting and interpreting electrocardiograms (EKGs) including the anatomy and physiology of the heart, equipment technology, how to interpret a rhythm strip, and details of a myocardial infarction. Course prepares students to take the leading national/industry-recognized certification exam(s) essential to entry-level employment in this fast-growing field: National Workforce Career Association (NWCA) Certified EKG Technician (CEKG). HEA102 F	98573	OCT 23-NOV 27	9:00AM-1:00PM	MON/WED/FRI	LYNN	STAFF	\$1,099

CENTRAL STERILE PROCESSING TECHNICIAN (XSP)

QUICK FACTS: CRSTs are responsible for decontaminating, inspecting, assembling, disassembling, packaging, and sterilizing reusable surgical instruments or devices in a healthcare facility that are essential for patient safety.WIOA
Approved

Entry Level to Experienced Level Wages	\$36,930–\$61,910
Preparation	High school diploma or equivalent required. Short-term training with moderate on-the-job-training. Certification will increase wage.
Certification Opportunities	Certified Registered Central Service Technician (CRST)
Massachusetts Outlook	Demand for this occupation will be strong. Advancements in technology will increase the use of new, complex medical equipment that will need to be prepared.

— BLS, CAREER ONESTOP.ORG

Central Sterile Processing Technician

Learn to clean and sterilize surgical instruments and medical equipment, and set up and deliver them to surgical areas, hospital rooms, clinics and even patient's homes. Assemble, adjust and check non-sterile equipment, and sterile supplies needed for surgery or other medical procedures. Learn about microbes and germs and how they cause infections, as well as managing inventory, ordering supplies, inspecting, maintaining, delivering and retrieving equipment and instruments for surgery, emergency room and other patient care units. After completing this program, test for the certifying exam given at a local Prometric Testing Center to obtain provisional certification from the Healthcare Sterile Processing Association (HSPA). The cost of this exam is not included in cost of this program. Once employed, you must accumulate 400 hours of work experience within 6 months to become fully certified. Program includes classroom, and experience in a sterile processing department during the clinical portion of the program. Clinical experience may be on any day/time of the week, based on clinical site schedules. Job requires ability to lift at least 25 pounds. Cost of course includes required textbook. **PLEASE SEE HEALTHCARE COURSE REQUIREMENTS ON PAGE 7 BEFORE REGISTERING.**

Health Care Programs Requirements

- 1 Accuplacer Placement Exam:** It is strongly recommended that students take the exam for advising purpose. For testing information or to schedule exam please visit: www.northshore.edu/cas/testing.
- 2 A CORI check** is required.
- 3 Proof of immunizations and a negative TB test** is required for some healthcare classes at the start of class. Proof of a COVID-19 vaccine and a booster may be required for some health courses. A drug screening may be required for some health classes. For more information please call 978-236-1200.

COMMUNITY HEALTH WORKER

QUICK FACTS: CHWs provide health education, referral and follow up, case management, and basic preventive health care and home visiting services to specific communities.

WIOA
Approved

Entry Level to Experienced Level Wages	\$38,700–\$63,570
Preparation	High school diploma or equivalent required. Short-term training with moderate on-the-job-training.
Certification Opportunities	Recommended, not required. Wage will increase with certification.
Massachusetts Outlook	Demand for this occupation will be very strong. As health care costs go up, there is more interest in educating people about how to stay healthy. Educators can also help people manage chronic illnesses they already have such as asthma or diabetes.

— BLS, CAREER ONESTOP.ORG

Community Health Worker—Mass Board Approved Training Program

Community Health Workers (CHWs) play a key role in ensuring the health and well-being of multi-cultural residents in a variety of community-based settings such as homes, schools, clinics, shelters, local businesses, and community centers. Learn the various components and functions of community health work including outreach methods and strategies, individual and community assessment, effective communication, cultural responsiveness and mediation, education to promote healthy behavior change, care coordination and system navigation, use of public health concepts and approaches, advocacy and community capacity building, documentation along with professional skills and conduct. The Community Health Worker (CHW) training program has been developed to align with the Massachusetts Department of Public Health recommended ten core competencies to prepare you for an entry-level positions in community health. **Textbook required.** For information on applying for the Community Health Worker Certification visit: www.mass.gov/how-to/apply-for-community-health-worker-certification.

MEDICAL INTERPRETING (XMC)

QUICK FACTS: Interpreters and translators convert spoken or written words from one language to another.

WIOA
Approved

Entry Level to Experienced Level Wages	\$41,250–\$128,710
Preparation	High school diploma or equivalent recommended. Short-term training.
Certification Opportunities	Certification preferred.
10 Year Growth	Interpreters and translators will be needed in schools, other public agencies, and large work places. In addition, the growth of the health care industry will create more jobs.

— BLS, CAREER ONESTOP.ORG

Medical Interpreting

Medical interpreters are in great demand both in person and remotely by video or phone. Interpreters can elect to work for a hospital, school, or state agency, or as contractors with many agencies throughout the country or they can elect to work remotely from home where they can work independently and make their own hours. Open to all languages, this 60-hour program provides working knowledge of medical interpreting, including standards of practice, ethics, HIPAA regulations, cultural competency, and medical terminology/vocabulary. Course provides intense practice via oral role plays on a variety of medical topics. Students will be introduced to VRI (Video Remote Interpreting) and OPI (Over the Phone Interpreting). Offered in collaboration with TransFluenci LLC, this course is designed for those preparing for entry-level careers as medical interpreters as well as for working interpreters preparing for the National Board Certification exam. Program meets the National Board for Medical Interpreter Certification training requirement. Certification fees are not included in the price of the course. **Prerequisites:** High school diploma or equivalent. Students must be fluent in English and one other language. Screening required, call 978-236-1200 to request a screening appointment after registration. **Textbook required:** "What You Need to Know to Become a Medical Interpreter," ISBN: 9780578411910. Available at Amazon.com.

RECOVERY COACH TRAINING

QUICK FACTS: Recovery coaches work with persons with active addictions as well as persons already in recovery. May counsel individuals, families, or groups or engage in prevention programs.

WIOA
Approved

Entry Level to Experienced Level Wages	\$38,650–\$80,520
Preparation	High school diploma or equivalent recommended. Short-term training.
Certification Opportunities	Certified Addiction Recovery Coach (CARC)
Massachusetts Outlook	Demand is expected to be strong for addictions counselors. New health care laws require that insurance providers cover more mental health services. This will lead to more jobs for addictions counselors.

— BLS, CAREER ONESTOP.ORG

Recovery Coach Training: Part I—Remote Learning Course

The gold standard for Recovery Coach Training fulfills 30 of the 60 educational hours required to become a Massachusetts Certified Addiction Recovery Coach. Recovery Coaches play a vital role in the community; they serve as guides and mentors to individuals with drug and alcohol problems, and empower people on their personal journey by providing many options and 'paths' to recovery. Training participants will receive tools and resources designed to help

people heal from the devastating effects of addiction, whether they are just entering recovery or looking to deepen and sustain their recovery. For individuals considering a career as a recovery coach or peer mentor, or individuals who simply want to learn more effective methods for supporting people through their recovery process. Taught by Michelle Simons who brings a professional and life experience to her work with individuals, families and organizations. **Textbook required:** Available on Amazon, "CCAR's Recovery Coach Academy, Rev. November 2021," ISBN: 979-8756114867.

Recovery Coach Training: Part II—Remote Learning Course

Recovery Coach Academy fulfills 30 of the 60 educational hours required to become a Massachusetts Certified Addiction Recovery Coach. Designed to provide those seeking to work as Recovery Coaches with a thorough overview of addiction science, the various substances of misuse and their effects, and how addiction impacts mental health, physical health, and overall wellness. Stages of change related to recovery are examined, along with Motivational Interviewing, an evidence-based intervention used to promote recovery goal attainment. The course utilizes case studies and experiential exercises that will strengthen the students' cultural awareness and responsiveness to differences. A great deal of time is spent examining the accepted ethical standards for coaches-how best to navigate boundaries and 'stay in the lane' of a Recovery Coach. There are no prerequisites for attending this class; all are welcome. Training participants will receive knowledge and resources designed to help people heal from addiction, whether they are just entering recovery or looking to deepen and sustain their recovery. Topics covered required by the state of Massachusetts for the CARC certification are: Addiction 101, Mental Health, Motivational Interviewing, Cultural Competencies and Ethical Responsibilities. Course materials are included in the cost of the class.

Recovery Coach Training: Part II, Days 1 and 2: Addiction Education—Remote Learning Course

For individuals interested in learning more about addiction. This course provides a thorough overview of addiction science, the various substances of misuse and their effects, and how addiction impacts mental health, physical health, and overall wellness. Stages of change as relates to recovery are examined, along with Motivational Interviewing, an evidence-based method used to help people get 'unstuck' from problem behaviors. Also included are case examples to illustrate how culture plays a role in helping relationships, and how best to remain sensitive to individual differences. Fulfills the 14 hours of required training on Addiction 101, Mental Health, Motivational Interviewing, and Cultural Competency for those pursuing certifications as a Massachusetts Addiction Recovery Coach.

CompTIA IT Fundamentals

CompTIA IT Fundamentals certification is your launch pad for an IT career. Course provides a strong IT foundation for non-technical professionals and advanced end-users at home, work, college, or high school. Focus on essential IT skills including features and functions of common operating systems and establishing network connectivity, identifying common software applications and their purpose, and using security and web browsing best practices. Prepares you for the CompTIA IT Fundamentals examination (Exam FC0-U61) and is a suggested prerequisite to CompTIA A+. Cost of the exam and textbook are included.

CompTIA A+ Certification Prep

CompTIA A+ Certification is the next step of your Information Technology Profession and provides you with an industry recognized, valued credential. Learn the essential skills and information needed to install, upgrade, repair, configure, troubleshoot, optimize, and perform preventative maintenance of basic PCs, and the ability to connect users to the data they need to do their jobs regardless of the devices being used. This course prepares you to take the CompTIA A+ Certification Exams. Cost of the textbook and the exam are included.

We are able to offer this grant-funded course free of charge to eligible students only.
Please call our office at 978-236-1200 to learn more about the courses and eligibility requirements.

ADVANCED INFORMATION TECHNOLOGY

Workers in computer and information occupations create or support computer applications, systems, and networks. Overall employment in computer and information technology occupations is projected to grow 15 percent from 2021 to 2031, much faster than the average for all occupations; this increase is expected to result in about 682,800 new jobs over the decade.

Information Technology (IT) is an area that is growing and always changing with new developments. In IT, you would be part of an industry that continues to make an impact on society and individuals. You would have the opportunity to work in all types and sizes of businesses from Microsoft and Google to your local hospital.

— US BLS OCCUPATIONAL HANDBOOK, SEPTEMBER 2022

Intermediate CSS3 and HTML5—Online Course

Today's websites require streamlined code that adapts to a variety of devices, screen resolutions, web browsers, and user needs. CSS3 and HTML5 are the keys to creating that, and they're the foundation upon which all modern websites built (not to mention many mobile apps, games, and even desktop apps). In this course, you'll take your CSS and HTML skills to the next level and learn how to create professional-quality websites. You'll find out the methods the pros use to quickly build effective sites that are easy to maintain and modify.. To register, copy this link into your browser: www.ed2go.com/nscc/online-courses/css-and-xhtml-intermediate.

PHOTOGRAPHY

Digital Photography: Part 1—Camera Operations—Remote Learning Course

If you've always been shooting in Auto mode, you'll be amazed at how much your images can improve when you take control of your camera settings. Learn the different features on your camera, how to use them, and techniques that result in more creative images. Topics include exposure controls (ISO, aperture, and shutter speed), scene presets, exposure modes, focus options, composition, color balance, lens choice and the use of in-camera flash. The camera required for this class needs to allow you to leave Auto and work in other modes. Have your camera available as we explore technical and artistic ways to better your photography. This virtual class will meet live using the Zoom platform which requires a computer with microphone, camera and internet access. **Textbook required:** "Stunning Digital Photography," by Tony and Chelsea Northrup.

Principles of Design

Line, shape, texture and negative space are only a few of the building blocks in the world of design. Strengthen your visual skills with hands-on exercises in a constructive, friendly environment. Learn how to use the various elements of design (line, shape, texture etc.) along with how to apply the basic principles of design (balance, contrast, rhythm etc.) in order to create well-designed works of art, graphic compositions, web designs, interior spaces, or exterior landscapes. Open to beginners and more experienced students in any visual field.

Identification and Culture of Trees

An introduction to the most commonly planted trees in New England, their distinguishing characteristics, horticultural requirements and suggested landscape uses. You will examine botanical features such as leaf shape, color, twig, and bud characteristics through plant specimens, slide lectures and field trips. Class meets for seven sessions during six weeks, including at least three of the classes meeting off-site (start time may vary in order to capture two hours of daylight) and one mandatory weekend field trip to be arranged with instructor. Two quizzes, a final exam, and a photo journal are required for successful completion of this course. **Textbook required:** For textbook information please call 978-236-1200. The first class will meet on the Danvers Campus.

SketchUp Level 1

Designed to teach the fundamentals of both 2D and 3D computer aided drawing. Emphasis will be placed on fully understanding the SketchUp interface and inference system. Lectures, tutorials, and in class assignments will guide you through the use of SketchUp's drawing, construction, and modification tools. By the end of the course you will have a 3D model constructed of groups and layers which will be ready for further development in the Level 2 SketchUp Course. **Flash drive and Sketchup software required.** Strong computer skills and knowledge of windows required. Students must activate their My Northshore account and download Sketchup Software prior to first class. Discounted SketchUp software available at: <https://shop.creationengine.com/collections/sketchup-studio-for-students>.

LANGUAGE & COMMUNICATIONS

WRITING & LITERATURE

Novel Bootcamp: Part 1

Join author and former Bantam Doubleday Dell editor, Anthony Gangi, who will guide you through the steps of getting from beginning to end of that ever elusive first draft. With a bulk of the writing being done outside class time, this intensive course will guide you through the process of writing a novel with a full draft completed by the end of the eight-week cycle. Particular attention will be paid to structure, characterization, and dialogue. Support will be provided by the instructor and fellow students.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE

Creative Writing

Do you have a story to tell or an emotion to convey? Begin each class with an exercise that will initiate you into the process of creative writing. Explore the genre of short fiction, and you are also welcome to explore creative non-fiction and poetry. Topics of discussion will include strategies for keeping the process flowing in the midst of our busy lives and ways to publish your work in print or online. You will have the opportunity to share your work and receive feedback from other writers. Current writers are welcome, and no prior experience is necessary.

New! Reading for Fiction Writers

Become a better writer and reader with Reading for Fiction Writers. Most fiction writers know that being a good writer isn't just about writing, but also reading. Successful authors have pointed out that the two biggest rules for writers are to write a lot and read a lot. Former Bantam Doubleday Dell editor, Anthony Gangi, will guide you in the ways to becoming a more active reader by looking at key scenes and chapters of various authors in order to improve your own writing. In addition to text evaluation writing exercises will also be included.

ENGLISH AS A SECOND LANGUAGE

NSCC's English as a Second Language (ESL) program provides non-native speakers of English with skills necessary for their personal, professional, and academic growth. We offer online and face-to-face classes in a supportive multicultural environment to assist students as they work towards their desired level of linguistic competence necessary for their participation in the local and global community. At North Shore Community College, we are committed to respecting individual cultural and linguistic diversity.

Ready to advance your English language skills? Please see chart for registration steps or contact us directly at onramp@northshore.edu or 978-762-4073.

¿Tiene alguna pregunta? Si no está seguro por dónde empezar y desea más información, llame al 978-762-4073 o comuníquese por email a: onramp@northshore.edu.

STEP 1: CONTACT

- Student calls 978-762-4073 or emails onramp@northshore.edu

OR

- Student comes to the Lynn or Danvers Success Center

STEP 2: LEVEL ASSESSMENT

- Student takes level testing in person or via Zoom

STEP 3: REGISTRATION

- Student registers for class online via CourseStorm or in person at the Lynn or Danvers Campus offices

Basic English as a Second Language 1

This course is for students whose first language is not English and who are at the very beginning stage of learning English. All skill areas are taught: listening, speaking, reading, and writing. The focus is also on practicing everyday vocabulary and foundational grammatical concepts in preparation for Basic ESL II. **Textbook required. Prerequisite:** Placement upon initial registration.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE

Basic English as a Second Language 2

This course is intended for students at the low-beginner level who already possess some foundational English language skills. The focus is on further building vocabulary as well as strengthening grammatical concepts. Students write short paragraphs, develop basic strategies for listening comprehension, and improve their speaking skills in preparation for a mid-beginner class. **Textbook required. Prerequisite:** Successful completion of *Basic ESL I* or placement upon initial registration.

COURSE CODE	CRN	STARTS-ENDS	MTG TIME	DAY(S)	LOCATION	INSTRUCTOR	FEE

GENERAL INFORMATION

CAMPUS LOCATIONS

DANVERS. The Danvers Campus at 1 Ferncroft Road is located off Route 1 and houses administrative offices, a Health Professions and Science Building, and Frederick E. Berry Building, a new state-of-the-art academic building and Learning Resource Center.

From the south to Ferncroft Road, Danvers. Route 1 North to Danvers or Route 95 North to Danvers, Exit 50. From either route follow signs for NSCC onto Route 1 South. Take right onto Ferncroft Road. NSCC Campus first left.

From the north to Ferncroft Road, Danvers. Route 95 south to Danvers, Exit 50, Route 1 South. Right onto Ferncroft Road. NSCC Campus first left.

From Route 128 South. Take Route 62 West toward Middleton. Take Route 1 North—passing the Route 95 exit—to Route 1 South (you will essentially be making a U-turn from Route 1 North to South). Take the first right onto Ferncroft Road. NSCC is on your left.

LYNN. The Lynn Campus located at 300 Broad Street, adjacent to the Lynnway, includes science and technology laboratories and a library. The College also houses Community Education courses, classrooms, offices and the Campus Police Office at the MBTA station across from the Lynn Campus on the corner of Broad and Market Streets.

From south on Route 1A to Lynn Campus, 300 Broad Street. Route 1A from Callahan Tunnel onto the Lynnway. Follow signs for Route 1A/Downtown Lynn. At second light take right onto Broad Street. Campus immediately on right. To park: right onto Washington Street. Parking lot is on right, behind campus building.

From north/south to Lynn Campus, 300 Broad Street. Route 128 to Route 1 South. From Route 1 South, take Route 129 East. Follow Route 129 past Atlanticare Medical Center to traffic lights at intersection of Boston Street (pond on your left). Continue straight onto Chestnut Street (Route 129A) and follow to end (intersection of Lewis and Broad Streets). Right onto Broad Street. Pass through five sets of lights, campus (McGee Building) on left. To park: before campus, take left from Broad Street onto Washington Street. Parking lot is on right behind campus building.

PARKING. Parking permits are available from the Campus Police Officer on duty at the Lynn and Danvers Campuses. Free parking for students is provided within the white lined spaces.

OFF CAMPUS. Call 978-236-1200 for locations and directions.

POLICIES

Affirmative Action/Equal Opportunity

North Shore Community College is an affirmative action/equal opportunity employer and does not discriminate on basis of race, creed, religion, color, gender, sexual orientation, age, disability, genetic information, maternity leave, and national origin in its education programs or employment pursuant to Massachusetts General Laws, Chapter 151B and 151C, Title VI, Civil Rights Act of 1964; Title IX, Education Amendments of 1972; Section 504, Rehabilitation Act of 1973; Americans with Disabilities Act, and regulations promulgated thereunder, 34 C.F.R. Part 100 (Title VI), Part 106 (Title IX), and Part 104 (Section 504). All inquiries concerning application of the above should be directed to the College's Affirmative Action Officer and/or the College's Coordinator of Title IX and Section 504. A complete copy of the Affirmative Action Policy is available in the Library, in the Human Resources Office, and on the college website.

Accessibility Services

Accessibility Services works one-on-one with students to set up reasonable academic accommodations and services for students in credit and noncredit courses. We assist with the implementation of accommodations and provide guidance to students with disabilities. We also serve as a resource to faculty and staff and promote disability awareness throughout our community. Students with documented disabilities who anticipate the need for accommodations are encouraged to visit www.northshore.edu/accessibility and follow the outlined procedure to request accommodations at least four to six weeks before the start of classes. For more information, please visit our website or call: Danvers Campus: 978-762-4000 x4501 or the Lynn Campus: 781-593-6722 x2134.

Alcohol and Drug Policy

The use of alcohol in any form and the illegal use of drugs at any College-sponsored activity is strictly forbidden, regardless of location. Violators will be subject to disciplinary action by the appropriate governing body.

Drug Free Schools and Campuses

North Shore Community College is committed to maintaining a drug-free workplace in accordance with the requirements of the U.S. Drug-Free Workplace Act of 1988, Appendix C to 45 C.F.R. part 620, Subpart F-Certification regarding Drug-Free Workplace Requirements, and the Drug-Free Schools and Communities Act of 1989. For further information, contact Director of Human Resource Development: 978-762-4000 x5470 or 781-593-6722 x5470.

Community Notification of Where to Access Sex Offender Information

In accordance with federal law, the College is required to advise the campus community where information concerning registered sex offenders may be obtained. Information concerning Level 2 and Level 3 offenders is available to the general public by contacting the Commonwealth of Massachusetts Sex Offender Registry Board, located at P.O. Box 4547, Salem, MA 01970-4547, 978-740-6400, or the following Police Departments:

- Lynn Police Department: 300 Washington Street, Lynn, MA 01901
- Danvers Police Department: 120 Ash Street, Danvers, MA 01923

Level 3 offender information is also available online at www.mass.gov/sorb.

If you have any questions regarding access to sex offender information, please feel free to contact the Colleges Chief of Police, Douglas P. Puska at 781-593-7032.

Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act

North Shore Community College is committed to assisting all the members of the college community in providing for their own safety and security. The annual security compliance document is available on the North Shore Community College website at www.northshore.edu/safety/police. If you would like to receive a booklet called the Jeanne Clery Disclosure of Campus Security Policy & Crime Statistics Act, which contains this information, you can stop by the Campus Police Desk at our Lynn Campus or you can request a copy be mailed to you by calling 978-762-4090. The website contains information on campus security and personal safety, including crime prevention, college police law-enforcement authority, crime reporting policies, disciplinary procedures, and other important matters about security on campus. It also contains statistics for the three previous calendar years on reported crimes that occurred on campus and certain off-campus buildings or property owned or controlled by North Shore Community College, and on public property within or immediately adjacent to and accessible from the campus. This information is required by law and provided by the Campus Police Department.

Computer Use Policy

Computers at North Shore Community College are made available to students, faculty, staff, and when appropriate, to the community at large. Use is devoted exclusively to educational purposes, including scholarly and institutional communication, information gathering, and computing instruction. It is understood that all users agree to abide by the following rules and regulations as presented in the Information Technology Resources Usage Policy here www.northshore.edu/legal/computer_use.html.

NORTH SHORE COMMUNITY COLLEGE BOOKSTORE

The Northshore Community College Bookstore is here for you!

Please visit www.SHOPNSCC.com to order books.

If you have direct questions please email Shawn at scronin@northshore.edu.

Fall 2023 Store Hours, Danvers and Lynn

The Bookstore will be open Monday through Thursday from 9:00AM to 4:00PM and Friday 9:00AM to 1:00PM and will be closed on the following days:

Monday, September 4 ■ Monday, October 9 ■ Friday, November 10 ■ Thursday, November 24 ■ Monday, December 2

Important Bookstore information

Lynn Bookstore will be taking students from their side door that opens to the outside on the side of the building (on the side where the green house is). Students will receive a confirmation email once they place their online order that states that they have to wait until their order is fulfilled and a bookstore employee calls them to set up a time and day to come pick up their order. Once a time and day has been set up they can come at that time to the school and park in the small parking lot on broad street, then call the store at 781-477-2127 to state they have arrived and tell us their name and order number, then come to the side door with their i.d. so we can confirm their information and hand them their order. Signs are posted, so students will know how to get from the parking lot to the side door.

Danvers Bookstore. Students will be able to pick up their books outside of the back of math and science building (near door 4) and signs are posted around the campus indicating where the book pick-up is located. Their online orders will have the same process as Lynn in that the confirmation email that is sent after a student places an online order. In the email it tells them that they must wait until a bookstore employee calls them to set a time and day for them to pick up their order. Once a time and day are set up they can come at that time and pick up their books and supplies. When they arrive at the pick-up location, there is a sign including our phone number, indicating they need to call and let us know they're here. When they call, an employee will meet them at their vehicle, and hand them their order.

FALL 2023 HOLIDAY SCHEDULE

The following is a list of holidays/breaks when classes are not in session:

Monday, September 4: Labor Day ■ Tuesday, September 5: Convocation—No classes
 Monday, October 9: Indigenous Peoples Day ■ Friday, November 10: Veteran's Day Observed
 Wednesday, November 22: Morning classes only

Policies

Information Subject to Change. The college reserves the right to add or delete courses and programs or to revise tuition, fees, and insurance requirements to allow for unforeseen developments. The college cannot guarantee that the instructor whose name is printed by the course will teach that course.

Nonpayment. Failure to pay your account balance in full on or before the first day of the class may result in your losing your seat in the class. If you have a third party sponsor they must provide a valid billing authorization or purchase order on or before the first day of the class. NSCC reserves the right to charge you a \$50 late fee for any past due account balances.

Course Cancellation. Individual courses may be cancelled due to insufficient enrollment. Noncredit courses are generally cancelled one week prior to start date. NSCC makes every effort to notify students by phone and/or email as soon as the decision is made. If the college is unable to reschedule a cancelled course or the student is unable to attend the rescheduled course date, the student will receive a full refund.

Course Refund. Students registered for Professional Education (noncredit) workshops and courses must withdraw in writing by email to professional@northshore.edu at least three days prior to the first session in order to receive a full refund of tuition, less a 6% processing fee. All other charges are nonrefundable. All remaining amounts paid to North Shore Community College will be refunded directly to the student or to the credit card that was used to pay for the course(s). After the three-day withdrawal period, no refunds will be given.

Third Party Billing. If for any reason a student's sponsor (or whomever is paying for the course) refuses payment, the student is responsible for full payment.

Tuition Waivers. Students with approved tuition waivers, tuition remission, or tuition vouchers may register at any time by calling 978-236-1200. Tuition waivers, tuition remission, or tuition vouchers do not apply to special programs, seminars, or online courses. To verify whether a course is eligible for a waiver or voucher call 978-236-1200. In the event that the class is cancelled, the individual has the option to resubmit for the next scheduled class. Individuals with tuition waivers will be responsible for the cost of all materials and/or books even when materials are included in tuition.

Walk-in Registration. Walk in registration is welcome on both campuses.

Danvers Campus:

- Admissions, Student Financial Services, Enrollment, Advising: 978-762-4074
- Testing Center: 978-739-5429
- Textbook Pick-Up at Bookstore: 978-762-4046

Lynn Campus:

- Admissions, Student Financial Services, Enrollment, Advising: 781-477-2188
- Placement Testing: 781-593-6722 x6695
- Textbook Pick-Up at Bookstore: 781-477-2127

Students must pay in full, for each course, at the time of registration.

Suggestions To Be Successful

We will continue to offer the following style classes:

Face to Face: We're back on campus!

Remote Classes: Train with your favorite NSCC instructors using Blackboard, Zoom, Google Classroom and other platforms. Courses meet at scheduled times.

Online: Self-paced classes that flex with your schedule. This structure allows you to plan study time around your day, and balance work and family commitments with your schedule.

Hybrid: A combination of live remote, self-paced course work and if required lab time. *Note: Lab and clinical portion of programs is subject to change depending on the status of the COVID-19 pandemic.*

Review the schedule carefully to see how your class is being offered. If you need support visit: northshore.edu/help.

Tips for taking an online course:

Schedule times several days a week to work on the course. Treat your school work like it's your job.

Read the information. The directions for completing assignments are written in the course!

Do your own work! Plagiarism is not acceptable and could make you fail the course.

Ask questions always. Communicate with your teacher via email, text, or phone.

Stay Organized. Save all the files for the course in the same folder.

Use a calendar to schedule reminders for assignment due dates.

Try and find a quiet space without distractions. Complete your assignment on time, doing your best work. Let your instructor know if you are not able to meet the deadline.

Check your email every day.

Make a copy of your answers for EVERYTHING you turn in including your answers and questions for your online tests and quizzes.

Download any documents or files that you want to have access to offline.

Corporate Training SOLUTIONS

Train your people. Transform your company.

Train Your People. Transform Your Company.

Corporate Training Solutions (CTS) at North Shore Community College works with businesses to provide:

- **Custom Training for Employers** – Work with us to design a high quality, interactive, customized program for your team! Our team will work with you to make sure the content of the programs matches your specific learning objectives.
- **Group Training for Employees** – CTS creates a much richer learning experience for your team! Our group training programs are delivered by expert facilitators who understand the importance of updating the skills of the workforce.

Upcoming Opportunity: Essential Skills for Leaders

This highly interactive training program consists of ten three-hour modules delivered over ten consecutive weeks on Wednesdays 8:30-11:30AM or 12:30-3:30PM. To learn more about this training, scan the QR code.

The Workforce Training Fund will reimburse you for up to 100% of training costs for businesses with under 100 employees, and up to 50% for larger businesses.
