Advising Notes
- This program is intended upon completion to prepare students to take the CompTIA Security+ Certification Exam. Upon scoring high enough on this exam, students are eligible to advance their level of employment in the computer networking and cyber security field. certification.comptia.org/certifications/security
- If you have interest in continuing your education in the computer science field, contact a STEM pathway advisor to learn about additional educational opportunities at NSCC.
- This program may, upon completion, be eligible to use credit for prior learning to save time and money on the Computer Networking Certificate.
- Contact CAS for more information on course equivalences and next steps you need to take to begin the next program. www.northshore.edu/cas/credit/alternative_studies.html
