- In Person** – Visit the Lynn or Danvers Enrollment Center with your completed registration form along with payment: Visa, MasterCard, Discover card, check, or money order

### Advising Notes

- This program is intended upon completion to prepare students for the National Health Career Association's (NHA) Certified Phlebotomy Technician (CPT) Exam. Upon scoring high enough on this exam, students are eligible for entry level employment as a phlebotomy technician. [www.nhanow.com/certifications/phlebotomy-technician](http://www.nhanow.com/certifications/phlebotomy-technician)
- If you have interest in continuing your education in the healthcare field, contact a nursing and allied health pathway advisor to learn about additional educational opportunities at NSCC.
- This program is designed upon completion to be eligible to use credit for prior learning from this program to save time and money on the Health Care Technician Certificate.
- Contact CAS for more information on course equivalences and next steps you need to take to begin the next program. [www.northshore.edu/cas/credit/alternative\\_studies.html](http://www.northshore.edu/cas/credit/alternative_studies.html)
- We strongly recommend students take the Accuplacer Placement Exam in the Center for Alternative Studies and Educational Testing prior to registration for advising purposes. [www.northshore.edu/cas/testing/computerized\\_placement.html](http://www.northshore.edu/cas/testing/computerized_placement.html)
