SCHOLARSHIPS ACCELERATE SUCCESS

Our mission is straightforward: to expand access to high-quality education. With \$6M in scholarships awarded over four decades, each one carries a clear promise that every student deserves the chance to succeed.

The NSCC Foundation Scholarship Program is designed to address the real cost of attendance, going beyond tuition and fees so our students can focus on achieving their goals.

To this year's 325+ scholarship awardees: **congratulations!**
We are so proud of your accomplishments and believe in your success.

To our donors and supporters: **thank you.** Your impact extends far beyond the classroom—strengthening families, advancing careers, and uplifting our entire community.

One of my proudest accomplishments is maintaining strong academic performance while balancing the demands of work and parenting.

Fire Science is a demanding field that requires discipline, focus, and staying calm under pressure. NSCC is preparing me technically and personally to serve my community as a firefighter.

This scholarship award is more than financial support. It's the opportunity to keep building the future I work hard for every day.

SCHOLARSHIP

Class of 2027

After high school, I worked full-time to help support my family. Going to college and pursuing engineering felt like a distant dream.

Free Community College changed everything. Now, I'm enrolled full-time, earning straight As, and preparing to transfer to a four-year institution to pursue mechanical engineering.

This scholarship award helps turn my dream into a career where I can one day give back to all the people who are supporting me.

Pursuing higher education takes real courage, whether you are a first-generation student, working adult, veteran, an early college student, or parent. Our role at NSCC is to recognize potential, nurture ambition, and build clear pathways so that students can flourish..

Our donors match that courage with generosity. Scholarships transform motivation into momentum. Together, our students and donors form a powerful partnership that empowers individuals to thrive and strengthens our entire community in the process.

Congratulations to our remarkable scholarship awardees, and a heartfelt thanks to our dedicated donors for providing the fuel to turn promise into success.

ALUMNI SPOTLIGHT

NSCC scholarship awardees become the skilled professionals that fuel our economy and lead our community forward.

Higher education gave me a purpose, and NSCC gave me something to strive for.

I found my calling at NSCC. I went from not believing in school to seeing its endless opportunities. The faculty challenged me and instilled a “you can do it” mentality that fuels me to this day.

Scholarships bridged the gap for me when I was a student. Without them, my education and career would have been pushed out.

As an alum, I am a proud to donate scholarships to help students have that same life-changing opportunity I gained at NSCC.

— **Leanna DeMarco**
Scholarship Awardee (2014)
Class of 2012 and 2015

After earning her LPN credit certificate and RN degree at NSCC, Leanna completed her BSN and FNP (M.S.) at Endicott College. She serves on the NSCC Advisory Committee for Practical Nursing and the NSCC Alumni Network Advisory Committee.

Leanna established the
Leanna DeMarco Healthcare Professions Scholarship
in 2026.

TRAICOFF AWARD HONOREE

THE MONTO FAMILY

**The NSCC Foundation is proud to recognize
The Monto Family for their exemplary and inspiring
commitment to scholarships for NSCC students through
the Mildred Monto Russo Scholarship.**

Our mom's first nursing job after graduating from NSCC
was a lifeline for us. It lifted us out of poverty.

We saw the hard work it took and the hurdles along the way.
Later, we felt her pride when she established and awarded this
scholarship. Now, we get to pay it forward in her honor.

If you are in a position to give someone a lift and help improve
their life, it will be the best decision you ever made. If our mom
can do it, you can do it, too.

“
*If our mom
can do it,
you can
do it, too.”*
