Are you ALL IN for NSCC?

Zaria Karakashian-Jones
Liberal Arts Transfer
Honors Program
Class of 2022

“North Shore Community College gives you the best head start in life that you could ever receive.”

ZARIA ALWAYS BELIEVED COLLEGE WAS IN HER FUTURE, but it never seemed like a reality. Enrolling at NSCC was the turning point.

“I’ve really found a safe haven at NSCC. Knowing I have faculty and staff who support me, and who are open and engaging, has been invaluable.”

Zaria is among the 80% of NSCC students working while pursuing their degrees. She turned this challenge into a motivation for herself and others — enrolling full-time, joining the Honors Program, serving in a variety of student leadership positions, and earning a donor-funded scholarship award.

NSCC students like Zaria are going **ALL IN** to dream, learn, and achieve. Despite their grit and determination, many face challenges along the way that have deepened during the ongoing pandemic — food insecurity, housing instability, lost or reduced wages, and more. Too often, a college degree and a better future are at risk for many promising students.

YOU have the power to ensure the best head start in life at NSCC!

Go ALL IN for NSCC with a generous tax-deductible year-end contribution. Direct your gift to one of three essential priorities — **SCHOLARSHIPS AND LEARNING, STUDENT ESSENTIAL NEEDS, or AREAS OF GREATEST NEED** — and transform the future for incredible students and this amazing College.

Sincerely,

James Horrocks,
President, NSCC Foundation

P.S: I’m ALL IN because I believe every student has the promise and potential to succeed. Share why you are ALL IN for NSCC with your gift today!
