Program Notes
• ITA eligible
• WTFP eligible
• Day, evening, or weekend program

Campus Information
• Danvers campus

Additional Requirements
• High school diploma or equivalent is recommended.
• Basic knowledge of the computer, computer concepts, and keyboarding is needed.

Advising Notes
• This program is intended upon completion to prepare students to take the CompTIA A+ and Network+ Certification Exams. Upon scoring high enough on this exam, students are eligible for entry level employment in the computer networking industry. certification.comptia.org/certifications
• If you have interest in continuing your education in the computer science field, contact a STEM pathway advisor to learn about additional educational opportunities at NSCC.
• This program is designed, upon completion, to be eligible to use credit for prior learning from this program to save time and money on the Computer Networking Certificate.
• Contact CAS for more information on course equivalences and next steps you need to take to begin the next program. www.northshore.edu/cas/credit/alternative_studies.html
